ADAMS TOWNSHIP RESOLUTION NUMBER 2016-01-01

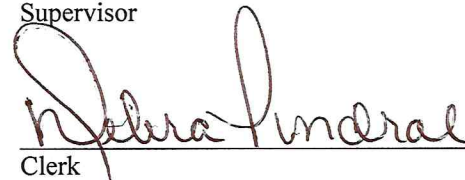

Upon discussion and review of the matter in a public meeting taking place on 01/04/2016, and upon the unanimous consent of the full Township Board, therefore,

Be It Resolved:

That an application fee in certified funds in the amount of \$15,000.00 per proposed WTG shall be required to apply for any Wind Turbine Generation Facility. The application fee shall be applied to the cost of reviewing the proposed Wind Turbine Generation facility for conformance with the Adams Township Wind Turbine Generation Ordinance.

Any amount of the application fee in excess of the actual cost to Adams Township for processing the application and ensuring compliance with the Adams Township Wind Turbine Power Generation Ordinance shall be reimbursed to the applicant upon completion of the project.
