Education

- 2019/20 Teaching Assistant at the University of Toledo
- 2017/20 National College of Chemical Engineering, in Mulhouse
- 2015/17 Cross-Border Chemistry Bachelor's degree Regio Chimica : Université de Haute-Alsace in Mulhouse (1st year) + Albert-Ludwigs Universität in Freiburg-im-Breisgau (2nd year)
- 2015 Secondary education diploma with first class honours (ABIBAC : examination in French and German)
- 2012/15 Secondary School Jeanne d'Arc, in Mulhouse

Languages : proficient level in English (B2 : Certificat de compétences en langues de l'enseignement supérieur) and in German (B2), basic knowledge in Italian

Work Experience

March-August 2019 : Freie Universität, Berlin

Three-month internship in Prof. Tzschucke's lab in Freie Universität, working on copper-chelating ligands. I synthesized them and determined their pK_a value as well as their binding constant.

- July - August 2018 : CRISTAL, Thann
Two-month internship in SHE department in the society Cristal, working in the inorganic chemistry field. I carried out regulatory surveillance on a confidential topic.

Activities and interests

- Music: practiced piano 9 years in Mulhouse's conservatory, member of a harmony for 3 years
- Sports : bike, gym.
- Former president of the IS2F association by the College of chemistry, humanitarian association (Engineers without borders)
- Former director of the drama club (in the College of chemistry)
- Former secretary of the Art Student's Union (in the College of chemistry)

Others

- Driving License
- Computing and Internet Certificate
