Desires. Two powerful families, a priceless bottle of wine, and a precious pink diamond lost for three generations collide in this suspenseful contemporary romance series from New York Times best-selling author Christina Dodd. No one suspects the anguish he suffers, or the reasons why he has sworn never to marry. Only blackmail could change his mind. Now, struggling to write her second mystery, she retreats to an isolated cottage in a private vineyard. Soon she discovers that Eli has been keeping secrets from her, and the truth will bring more than heartbreak. It will put them both in mortal danger.

When murder and peril threaten, the only way Chloe can survive is to trust the man who has betrayed her. Narrated by: Khristine Hvam. Series: Bella Terra Deception, Book 2. No matter how much of a pain in the ass she found her father, she was still glad he was in her life. But between his machinations and becoming a successful author, she had become skittish about dating. Her father should look for a guy who had a plot idea and also wanted to marry money.

She grinned and carefully stacked the lug nuts in a pile, then went to work with the jack again. No matter how much people who thought they could write when they had never tried annoyed her, she loved talking with other authors, published and unpublished, the ones who put their butts in their chairs day after day and wrote.

If not for their knowledge and assistance, she would not realize she was suffering from second-book syndrome. According to authors who wrote lots of books, there was only one cure — to finish the book and start another. And another. So she would. Because she was tougher than she looked. She tugged the flat off, carried it to the trunk, put it in. She put the spare on. Tightened the lug nuts. Lowered the jack. She had changed the tire! Lifting her arms over her head, she did the victory dance. She was a goddess! A goddess! She lowered her arms.
