

### **Learning Module IV**

## Seminar # 4 "Different Types of Family Therapy"

### **Learning Objectives:**

- 1. The different types of family therapy
- 2. Determine what type of family therapy best meets your family needs.

The choice of family therapy models in therapy will make a considerable difference to each member of which the family and the one that is abusing substances. Use the information to talk with your therapist about what model will be best for your family.
