

Kids & Li'l Dragons RESPONSIBILITY Homework

Name _____

Write down some of your RESPONSIBILITIES in the table below. Then use the table to keep track, and make sure that you've met your RESPONSIBILITIES for the month. Put a check mark in the box for each week if you fulfilled that RESPONSIBILITY for the week. Finally, talk to your parents about how you met your RESPONSIBILITY (was it hard, easy? Is there a way you can do it better next time, etc.), and have them help you write some notes to make you better at meeting your RESPONSIBILITIES

Name of Responsibility	Week 1	Week 2	Week 3	Week 4	RESPONSIBILITY notes
Example: Clean my room	X	X	X	X	Don't just clean up the floor; clean closet; fold clothes in drawers

As you get older, what other RESPONSIBILITIES will you have? How will you meet them? _____
