### Week of July 18, 2021

"The end of the hero's journey is not the aggrandizement of the hero. The ultimate aim of the quest is not ecstasy for oneself, but the wisdom, and the grace, and the power to serve others."

Seek first the Kin-dom (kinship, communion) of God and all things shall be added unto you. Stage 2 (by us) is an important part of our spiritual evolution, and it has its limitations. When we free our mind of our "By-us bias," we move into stage 3 of spiritual development "through us." So much more awaits us when we surrender and allow.
