# Introduction

A small family business, staying strong, together – bring a little of our Homestead into your Home. As with many during the 2020 Pandemic, I found myself isolated at home and in the middle of a career transition. Our only daughter had just finished school, I had effectively retired from a 20 year career, and my husband was finishing his second degree following being a stay-at-home dad for the last 16 years.

As such, I turned to one of my great loves, woodworking, and, together with my husband and parents, expanded on my woodworking portfolio to a greater range of serving platters, resin river options, chicken houses and more.

In purchasing our beautiful property in Hoskinstown, I also found I had the room to share our little slice of paradise with others and decided to open our property to functions. We have converted our horse stables to an exciting but rustic venue in 2022 and will be building a custom barn in our Olive Grove in 2023-2024 to house larger numbers indoors.

We offer a range of packages to suit, ranging from venue only allowing you to DIY everything else, through to fully managed functions so you can sit back and enjoy your event without hassle, including a Functions Manager to take care of everything on the day! We even have our Functions Hire offering if you are in need of items to host your own event and don't like paying big prices 😊

## The Stables @ Callemondah

Toliam Homestead is based on our property in Hoskinstown, NSW, just 30 minutes from Canberra Airport. An ideal venue for weddings and events, we also have woodwork classes, farmstay options, a gift shop, horses, chooks, ducks and geese.

Our convenient location and bush setting offers a tranquil and private venue, ideal for your successful event or occasion. Featuring the flexibility to hire in caterers, music, photographer and florist of your choice, or we have a list of local providers ready to assist. With many outdoor spaces that promote tranquillity, Toliam Homestead and The Stables @ Callemondah caters for smaller groups with interior seating for up to 56 guests. Larger groups can be accommodated by adding a Marquee extension.

## The Olive Grove @ Callemondah

Once the Olive Grove Barn is built, we will have a full catering kitchen and bar on offer, as well as inside seating for up to 120. With our Open Air Pavilion offer, you can have a Marquee setting in several locations within the Olive Grove paddock with seating from 12 to 140. # Music

Ryan David Music - [www.ryandavidmusic.com](http://www.ryandavidmusic.com)

## Live Music

I provide live acoustic music of all styles and genres; from pop to contemporary, RnB to country - the list goes on.

### Weddings

Working with you, all songs and sets can be tailored to exactly the type of mood and atmosphere you are after before and during the ceremony, during canapés and throughout the reception.

*"We were lucky enough to have Ryan perform at our wedding reception. Ryan was super helpful in the lead up to the wedding and provided a diverse list of songs he could play and also took on individual song requests. On the day Ryan was super organised and always smiling. If we could do it all again we'd have him play at the ceremony too! Thank you again Ryan for making sure music played a part in making memories on our special day."*  
- Laura & Carlo

## DJ

When it's that time of night when people want to start dancing, I can switch it up on the decks to get the place pumping and the dance floor moving! Together, we can incorporate all the songs you want (and take out the ones you don't) plus any songs people request on the night.

*"Thank you so much for everything that you did, the wedding was absolutely perfect and we had the best time! We got so many lovely compliments on how special the acoustic songs were and how you really added to some lovely moments - so thank you! The day was perfect, and leading up to it you were wonderful to work with."*  
- Annika & Josh

## MC & Equipment

### Equipment

I provide all PA equipment, speakers and microphones for whatever your event might need.

### MC

I can also provide MC services for your event's proceedings - ensuring everything runs smoothly and everyone has an enjoyable time.

*"I wanted to thank you so much, our wedding day was made perfect through your beautiful music. Everyone raved about your talents and we are very grateful to you for playing at our wedding. The DJing was awesome and had everyone up and dancing early on which was so much fun, that could not have been done without you, so many thanks again." - Sarah & Adam*
