

Do what you can, with what you have, where you are."

- Theodore Roosevelt

The ***Passion Over Profit Foundation***, through the H.O.P.E program, was founded with a vision of uplifting youth to overcome their unique challenges and actively participate in the development of their community & country. We collaborate with partners, donors, and stakeholders to empower youth and vulnerable members in society, and facilitate strong business & cultural networks within DeKalb County.

We hold regular physical classes and events that promote our agenda, and uplift our target youth and communities. As such, we work in partnership with property managers and owners of venues, who share our vision. Through that, we work together tirelessly to make sure we impact the community positively.

We commit to leaving the facility as clean and tidy as possible. Moreover, we will take all the necessary precautions to ensure that no vulgarity, misuse of the venue, or any other adverse action will happen that shall prove harmful to you or the facility. In the event of any unfortunate occurrence, we will dutifully assume responsibility.

We hope that you will permit us to use your venue for the material dates and happily participate in the event as this event is not just for us; it's for the youth, and by extension future, of our county.
