I even over looked exam cram cheat sheet in my car before I went in to take the test. Dec 3, Im using exam cram right now Im glad that it help you and it gives me hope for me to pass my boards to0o!!! Dec 22, Now can you please tell me little bit more on how exam cram works.

I just received my book in the mail today, I did pre test thing on there twice and my scores are super low. Should i go ahead do another pretest or move on to the adaptive drill to see where i m going wrong???. Please help me figuring out this exam cram, m confused as hell. I really need to pass this test as its going to be my 5th time. I'd move on to the practice questions at this point. The pre test is used to help the program organize ur questions based on ur weakness.

You should do as many practice questions you can and make sure u read the rationale even if u get it right. She is a member of Sigma Theta Tau nursing honor society. Her experiences in nursing are clinically based, having served as a staff nurse in medical-surgical nursing. She has worked as an oncology, intensive care, orthopedic, neurological, and pediatric nurse. She currently serves as a nurse educator consultant and an independent contractor.

Hurd has taught in both associate degree and baccalaureate degree nursing programs. Hurd joined Rinehart and Associates in She has worked with students in preparing for the National Council Licensure Exam and with faculty as a consultant in writing test items. Hurd has also been a presenter at nursing conventions on various topics, including item-writing for nursing faculty. Her primary professional goal is to prepare the student and graduate for excellence in the delivery of healthcare. Home 1 Books 2. In , she completed her Master of Science degree in Nursing from the same university and accepted a faculty position at Northeast Mississippi Community College, where she taught medical-surgical nursing and maternal-newborn nursing.

In , she founded Rinehart and Associates Nursing Consultants. For the past 26 years, she and her associates have worked with nursing graduates and schools of nursing to assist graduates to pass the National Council Licensure Exam for Nursing. She has also worked as a curriculum consultant with faculty to improve test construction. Rinehart has served as a convention speaker throughout the southeastern United States and as a reviewer of medical-surgical and obstetric texts. She has co-authored materials used in seminars presented by Rinehart and Associates Nursing Review. She has completed additional graduate studies in healthcare administration at Western New England College and the University of Mississippi. Sloan has taught pediatric nursing, psychiatric mental health nursing, and medical-surgical nursing in both associate degree and baccalaureate nursing programs. Sloan has conducted test construction workshops for faculty and nursing review seminars for both registered and practical nurse graduates.

She has co-authored materials used in the item-writing workshops for nursing faculty and Rinehart and Associates Nursing Review.
