

Gin Selections...

Gordons

Gordon's London Dry Gin is made with only the finest botanicals, all carefully distilled to create its distinctively refreshing taste. It is bold, juniper-led, with zesty notes of citrus and super smooth texture.

Tanqueray

Tanqueray London Dry Gin is made today according to the same classic, timeless recipe. Its iconic bottle shape is inspired by a three-part cocktail shaker made famous during Prohibition's classic cocktail movement in the "Roaring 1920s. It is distilled four times and has the perfect balance of four classic gin botanicals - refreshing juniper, peppery coriander, aromatic angelica and sweet liquorice.

Greenalls

Greenall's The Original uses the same secret recipe that has been handed down through only 7 master distillers. This secret blend of 8 botanicals gives a classic London Dry gin with rich juniper notes, balanced with mature citrus and spice

JJ Violet

Violet has become a particularly popular flavour within the world of gin, and JJ. Whitley have wasted no time joining in on the fun by launching their very own Violet Gin! The eponymous floral element is combined with a selection of eight additional botanicals along the lines of juniper, coriander, liquorice and angelica, and it boasts a pleasing pink hue.

Gordons Sloe

Gordons take the finest wild sloe berries and steep them gently, before adding Gordon's gin. The result is a wonderful tippie that marries the dryness of Gordon's with cassis sweetness - perfect in cocktails, as an alternative G&T, or simply on its own

Tiptree Raspberry

Raspberries are amongst the most traditional of crops farmed on the Wilkin Estates at Tiptree, Essex, where we have been growing fruit since the 1800s. Each raspberry is carefully hand-picked, then rested in locally distilled Hayman's gin. The result is this delicious gin liqueur, bursting with the fresh fruitiness of proper English raspberries

Boë Violet

Award winning Boë Scottish Gin is infused with violets to create Boë Violet Gin. The addition of violets creates a stylish gin with a light, delicate taste and beautiful colour and aroma. Enjoy with tonic, in a cocktail or with the mixer and accompaniment of your choice.

Unicorn Tears

This gin liqueur contains real Unicorn tears. Created by Firebox in a secret location, using their free range Unicorn herd and closely-guarded extraction process (patent pending). To give Unicorn tears their unique taste, they humanely force-feed these beautiful beasts entire wheelbarrows of citrus fruit, oranges, juniper berries, bunches of coriander, and sticks of liquorice. Then force down this concoction with a giant glittery pestle, like fantasy foie gras, and reap the tears as they fall. To unleash their magical powers: Swirl the bottle. Behold its shimmering majesty. Consume the mythical spirit.

Bombay Sapphire

Sapphire distilled London dry gin has a tantalising, smooth and complex taste, described as fresh citrus and juniper flavours combined with an elegant light spicy finish. The flavours of the botanicals are captured through a delicate distillation process called Vapour Infusion to give Bombay Sapphire its distinctive taste.

Gordons Elderflower

Gordon's London Dry Gin is combined with the delicate taste of elderflower for a delicious twist on a great British classic. If you're partial to adding a floral, summery twist to your G&T, Gordon's elderflower is an excellent choice. Made with their famous gin and a spot of elderflower, it's a refreshing and elegant drink perfect for when the sun starts peeking through the clouds.

Brecon Botanicals

Distilled five times from pure grain. Combined with Botanicals from the four corners of the world. Blended with water from the beacons to create a clear spirit that is crisp, clean and exceptionally smooth. The nose is a rich complex of fresh juniper. Followed quickly with coriander and a complexity of gin flavours. Hints of citrus mingle with oriental spices. On adding a mixer the citrus, lemon, orange and even bergamot open out as well as hints of cinnamon, clove and even saffron.

Whitley Neffs Blood Orange

Bright, zesty aromas head up a clean, citrus Gin. A sweet fruit burst of Sicilian Blood Oranges offers a smooth crisp taste of the Mediterranean sun. A handcrafted Gin of exceptional quality, that's bursting with the dynamic citrus flavour of Sicilian blood oranges in every drop, for a smooth, crisp taste of the Mediterranean sun.

Dorset Conker

A well-balanced and Juniper-led, but with the bright and refreshing Dorset notes of elderberries, samphire and handpicked gorse flowers. Distilled and bottled in Dorset's first gin distillery, Conker Gin embodies the spirit of the county, blending British wheat spirit and New Forest Spring Water with botanicals from across the Dorset coast and New Forest

Jinzu

Jinzu Gin brings English and Japanese traditions together to create an exciting, intriguing spirit. It's made with a blend of English gin (featuring juniper, coriander, angelica, yuzu and Japanese cherry blossom as botanicals) and sake, which brings a luxurious, creamy mouth feel and a subtle, compelling sweetness to its flavour profile.

Gordons Pink

Inspired by an original Gordon's recipe from the 1880s, Gordon's Pink is perfectly crafted to balance the refreshing taste of Gordon's with the natural sweetness of raspberries and strawberries, with the tang of redcurrant served up in a unique blushing tone. Made using only natural fruit flavours to guarantee the highest quality real berry taste.
