**PRESIDENT'S MESSAGE**

Late Summer Greetings:

As August winds down and we look forward to another great Labor Day Weekend, I hope all of you have had a chance to enjoy the Park this summer.

As many of you are aware, the Board has finally been able to find a permanent solution for our Bookkeeper position. Pat MacDonald stepped in last summer to provide some temporary help as the Park worked through a difficult time in the accounting function. Her original commitment of about 60 days ended up being over a year. Although I was not involved during that period, my understanding is that Pat did a great job cleaning up some issues and getting the accounting system under control. The membership owes Pat a debt of gratitude, so if you see her tell her thanks for the job she did. Our new Bookkeeper, Cori, started on August 16. She has nearly 30 years of experience in numerous different companies and industries. I'm sure she'll do a good job for us once she gets her arms around some of the intricacies and oddities that are involved with PPMC accounting. Please bear with us over the next couple of months as both she and I work to understand the accounting system and processes.

At our Board meeting on August 17<sup>th</sup>, we filled a Director vacancy resulting from the resignation of Bruce Wildenratt. Bruce spent three years on the Board and I thank him for his service. At the meeting, Kurt Likins was appointed by the remaining Board members to serve until the next election and annual meeting in July 2020. Many of you know Kurt, like me he is a third generation member and he has been on the Board and President of the Board in the past. His lifelong knowledge of the Park along with his recent Board service made him an excellent choice to fill Bruce's position. The other Directors and I welcome Kurt back to the Board.

As noted in my message last month, the Board is concerned about the financial position of the Park. To that end, we will be working on putting together a rigorous and timely cash forecasting process in order to give us a good understanding of where our cash position will be weeks and months in advance. Additionally, we will be looking at every expense line item in order to identify areas where we may be able to cut costs. Finally, in order to provide more timely information to the membership, we plan on making a quarterly financial presentation following the Board meeting in the month after the close of a fiscal quarter (August, November, February, and May). Tentatively, we are planning on making the first presentation in November, following the close of our second fiscal quarter of the 2019/2020 fiscal year.

Enjoy the remainder of the summer.

Joe Mayo  
PPMC Board President

**MANAGER'S REPORT**

If you would like someone else to pick up your mail from the office, they will need to have your mailbox key. The office will no longer give mail to anyone but the Member or person(s) assigned to that mailbox.

Please take a minute to look around your allotment and cut back any shrubs, suckers, bushes, etc. that are growing out into the street — this will make the streets a little wider and safer by expanding drivers' line of sight.

The staking committee is hard at work completing stakings. I would like to ask that if they are staking your allotment or your neighbor's allotment that you let them complete the staking, when it is complete you will have the opportunity to agree with it or object to it. At that time your concerns will be addressed.

The Board is considering a change in Office hours beginning next month — I'll send out an e-blast if/when they make a final decision on times. Stay tuned!

Labor Day is just around the corner please be safe and have a good weekend!

**Steve**

**CFO CORNER**

I can't believe summer is already coming to an end and the kids are back in school!! Your Board is already hard at work on several issues that we hope will improve Park operations. Our new President, Joe, has spent several hours working with our new Bookkeeper and me in an effort to streamline our accounting processes.

I'm working on preparing suspension and termination documentation for delivery to the handful of Members who have outstanding past due accounts to the Corporation. If you are one of those Members, PLEASE pay your account in full or make payment arrangements with the Board ASAP!!

Enjoy your Labor Day Weekend—be safe, and if you choose to imbibe, please drink responsibly!!

*Verdie*

**A MESSAGE FROM BRUCE...**

I would like to thank the Membership for the opportunity to have been on the Board the past 3 years. It has been an honor to serve. I would also like to thank the Office staff, Steve, Annie, Andrew and Pat for all their help in so many ways, you are the BEST!

Because of both personal and family business that demands my full attention; I am resigning from the Board of Directors effective August 15<sup>th</sup>, 2019.

Thank you and may God bless you all.

Sincerely,  
Bruce Wildenradt

**2.0 DIRECTOR/MANAGER REPORTS**

- a) Park Manager: Steve reporting that he and the crew had finished picking up all Green Waste from the sites. Steve reporting that 14 dump runs were made at a total cost of \$2062.30. This amount also includes total staff time, gas etc. Happy to report this is a \$4K savings due to the use of the new dump trailer and Park vehicles. Steve informing all that, although the Park is doing better at green waste, some continue to put large items in green waste sites, Entire trees, needing to be cut down and items way too big for ease in removal. Unfortunately, other Member also tried to dump non green waste items (furniture, fencing, posts etc.) as well, causing the crew to have to deal with.

Steve reporting that due to Members throwing trash on the Office porch (Candy wrappers, mail, junk mail etc.) he closed off the old phone booth in order to combat this behavior.

The New Fire Gator has now arrived and is in working order. Steve telling all that it is out in front of the Social Hall for all to view. Fire Gator can go over the covered bridge in times of an emergency. Also able to hold 100 gallons of water and can hook up to hydrants.

Steve Reporting that he spent time at the DMV working on title transfers and the like. All new vehicles have been registered; however, the old dump truck and the old fire truck have never been registered to PPMC. This is a big problem for Steve to try and figure out, as it goes back many years (to the 1990's). He will continue to research and hopefully locate the necessary paperwork to take care of this issue.

- b) President: Frank Haswell following up to Steve's report by reminding all that issues such as these (vehicles) require time and energy taken away from the Manager's duties. Hoping once all are taken care of, it won't be repeated in the future by other Boards.

Frank reporting that letters have been sent out to Members regarding behaviors and fines. A hard responsibility but a responsibility, nonetheless.

Frank reminding all that the Annual Meeting is set for Saturday July 6<sup>th</sup> at 1:00 p.m. in the Social Hall. There will not be a regular Open meeting in the month of July, only an Executive meeting will be held.

- c) CFO/Treasurer: Verdie Polizzi reporting that there is 19K still owed to the Park. She has contacted a Process Server to serve the Termination letters to those Members behind. No Financial reports this month as the Park bookkeeper has been out of town attending out of state Eastern Star activities. Reports to be updated at the next Open meeting.  
Verdie reporting that Board is looking into including financial reports in the Monthly bulletin, stay tuned.

**3.0 COMMITTEE REPORTS**

- a) Accommodation & Accessibility - Committee is still waiting on getting permits from the city for the repair and replacement of the septic system. The actual work will be delayed until after the busy summer months.
- b) Budget -No Report
- c) Building – No Report
- d) Bylaws - No Report
- e) Covered Bridge -No Report

**3.0 COMMITTEE REPORTS CON'T.**

- f) ERT – Chairman Dick Lovelace reporting that the ERT Committee will be having monthly meetings from now on. There will be, in the future, extensive training. Even though many have already been trained, not enough have volunteered to handle “Go-Bags”. There is still a need for more. There will be 2 more trainings this year through the city of Santa Cruz for CERT trainings. These will, most likely, be the last ones of the year.  
Manager reporting on the multiple groups, ERT, Fire, CERT, etc. the new system will be a series of teams, each having a team leader. Chain of Command will be each team leader will report to Dick Lovelace who will then report to the Park Manager who will report to the Board. Steve emphasizing that this is a new system that they are building. It is still in the planning stages and anyone interested in helping is encouraged to talk to Steve.  
Member Bob Morgan asking specifically about the new Fire Gator and its capabilities. Steve reminding all that this has been covered extensively in prior Board meetings, but the basics are that the Gator: can cross bridge, will be an Initial response vehicle, can Carry up to 100 gallons of water, is able to go up Shrine way and King Solomon, able to hook up to fire hydrants, and is a fully capable fire apparatus.
- g) Historic– No Report
- h) Insurance – No Report
- i) Long Range Planning – No Report
- j) Orientation – No Report

- a) Tree Requests – see 3.0m above.
- b) 239 Temple Lane - CFO Verdie explaining that 3 contingencies have been put on the property to be taken care of prior to sale. Board discussion regarding motivation to sell. Verdie encouraging Park/Board to take care of the list of the 3 contingencies that were made specific to the 2014 lawsuit. Costs cannot be recouped by the park but would encourage a quicker sale. Board to get estimates and set a dollar amount limit. Motion made by Verdie for Bids for 239 Temple Lane repairs, not to exceed 15k. Second by Bruce. Passed 4-0.
- c) Election and Ballot Committee will be headed by Dick Lovelace. Dick will reach out to the Committee Members from last year and prepare for the process.

**6.0 OPEN FORUM**

Bob Morgan informing all that he believes there is an error on this year’s ballot. Under the Rules and Procedures #1 having to do with Fences there is no option to vote NO. Bob encouraging Board to remove from Ballot. After extensive discussion among those present, President Frank agreeing that there is no choice but to remove it from the ballot.

Member John Mancini asking about the front envelopes of the ballots. No stickers were applied with the Member’s Park Address. Instead the envelope was printed with space to write in their name and Park address as well as the Allotment number (Street address number in PPMC). John upset that this was not listed on the instructions and questions the validity of the entire ballot because of this.

Office to clarify at the actual ballot box, to make sure this takes place. Steve will also send out an eblast clarifying the process. Extensive discussion on the question of whether the lack of an outer address label, changes anything. Question asked if this rule is an actual rule and procedure or if it is in the bylaws. Answer: No.

Member John Mancini also commenting about the fact that the strike through, bold and underline were not used as they have been in the past about the appearance of the ballot. Much discussion with some members in agreement with Mr. Mancini and others voicing that they read the ballot easily and understood without the use of these items.

**THE NEXT OPEN BOARD MEETING WILL BE HELD ON
