Timeless Wisdom ...  
EVOLUTIONARY VISION

MARCH

*We know that [the awakening state] is a reality, and that we shall yet attain this reality. Nothing can dislodge this inner and intuitive perception from our mentality; we know it as certainly as we know that we live.*

March Message

# Good Beautiful Day!

*Open to Possibilities* is the theme for March. Wow! It can't get better than that. Let's dive right in.

No matter what area of your life you are contemplating – health and wellness, relationships, vocation/volunteerism, or time and money freedom – ask yourself this one simple question: “What would I love?” Not what would you like, nor think you can have; love is more powerful. Go ahead and list five things you would do if age, gender, time, money, education, and experience were not factors. Select one, and then decide what your next step in this direction is. You'll be on your way to even more joy in your life!

Your Core Council is doing this now regarding what they would like CSL St George to look like in the future. Of course, they would love your input. Just reply to this newsletter and they will receive your ideas, wishes, and comments.

Personally, I love the virtual services affording us the opportunity and privilege to hear from such a variety of fantastic speakers, though I am also looking forward to having our own fabulous minister.

I love Louise Hay. One of her quotes is: “It's only a thought, and a thought can be changed.” As a Science of Mind Minister, she captured our New Thought philosophy well. Remember this when you think of your possibilities and have a limiting thought – change it!

In closing, here is an affirmation for this

**Sunday, March 7th**  
**Living in the Question:**  
**A High Idea**

Joe Kovach, RScP

Our lives are transformed and expanded when we live in and from the question, "What is Spirit's Highest Idea of Itself as my life?" Introduce what Visioning is and its benefits. Focus on the process.

**Sunday, March 21st**  
**With Open Arms**  
Eugene Holden, RScP

The question here is what beliefs, ideas, actions must we embrace, embody, and become in order to live in alignment with the Vision. Embracing these things brings us into the realization of the Vision.

**Sunday, March 14th**  
**Release and Let Go**

Reverend Elisha Christopher

Spiritual growth, according to Reverend Michael Beckwith, is the releasing and letting go of ideas, beliefs, attachments that no longer serves. It creates openness and spaciousness. It removes obstacles and impediments in the way of living the Vision.

**Sunday, March 28th**  
**Commit to Transformation**  
Reverend Hannah Rothlin

Visioning is about personal transformation. We are transformed through the practice of opening ourselves as avenues of awareness and being receptive to the Divine Love-Intelligence and Wisdom within.

Releasing and embracing are  
where our work lies when it  
comes to manifesting the Vision.

Committing to the Vision is  
committing to the transformation  
of our lives.

### **NEW BOOK FOR MARCH**

“This above all: to thine  
own self be true...” W.  
Shakespeare

“...to which self are we to  
be true? Is it the one that  
shows up when we're in a  
bad mood, or the one that  
is present when we feel  
humbled by our  
mistakes? Is it the one who  
speaks from the dark  
recesses of the heart when  
we're depressed or upset,  
or the one that appears  
during those fleeting

moments when life seems so fanciful and light?"  
Michael A. Singer

The **CSLSG Book Group** will be taking a journey of SELF exploration. We will be guided to turn to a "single source that has phenomenal knowledge on the subject"...of YOU.

## Sacred Covenant

There is only One Life. That Life is God's Life. That Life is Perfect. That Life is my life now.

In knowing that I am one with this Life, I know that I am one with all of Its blessed expressions which include the presence of a new minister for my beloved spiritual community.

Because I know that the Highest Purpose of my new minister is to express God, I therefore know that my new minister reveals Wholeness. I further know that my new minister is the fulfillment of that which we believe, for it is written:

**Let us learn to draw the Divine Substance down into our own lives and, as freely as It has been given to us, let us give It to others. Thus alone shall we be made Whole. (Ernest Holmes)**

As I stand in agreement with my beloved community, I see my new minister revealed before me as growing the Center in Joy and Prosperity.

I now intend to experience my new minister in full cooperation and agreement with my Community, knowing the Truth about myself, for...

- I live the Presence and Law of God.
- I demonstrate Wisdom through a mature understanding of the Wholeness of Life.
- I am accountable and willing to take full responsibility for my actions.
- I participate in and support the nurturance and guidance of the community.
- I act from Wholeness and congruence in thought, word and action; I "walk the talk".
- I embrace.... [express your personal Truth here].

I now accept the highest expression of a new minister into my life, knowing that they are revealed in a way that expresses God and serves the highest and greatest good for all who are touched by their presence.

I am grateful!  
And so it is. Amen.
