## Who Is Little Fannie Heavenly Housing?

*Little Fannie's Heavenly Housing is a nonprofit 501c3 organization established in 2016 with a mission to serve the less fortunate and the homeless populations. The Executive Director/Founder, Jolynn Payton was inspired at a young age by her grandmother, Fannie Dunigan to carry on her legacy. Fannie was a wonderful, loving person whose life's mission was to serve and help others.*

**OUR MISSION:** The Mission of Little Fannie's Heavenly Housing is to impact the lives of at risk adults, children and families who are struggling. We advocate and assist individuals who are currently considered homeless, living in shelters and on the streets.

**OUR SERVICES:** Little Fannie's Heavenly Housing has the privilege of doing street outreach to serve the homeless by distributing the basic needs of clothing, shoes, coats, toiletries and food to help make it through these trying times.

**OUR GOALS:** Little Fannie's Heavenly Housing goals are to secure a long term housing facility to help alleviate homelessness by providing them with affordable permanent housing along with follow up care.

## Letter from the Executive Director

Dear Readers,

Thank you for your continued support and taking the time to read our newsletter! This year has been a year of unprecedented times of uncertainties for our nation. We have experienced loss of love ones, jobs, homes, isolation, wearing mask, sanitizing, social distancing and so much more. But thank God, we are some of the ones that have made it through. We have a long road ahead of us and we know the impact Covid-19 has on our homeless underserved population is going to be greater. Mark Payton & I will continue to lead and serve at the best of our abilities and focus on making bigger impacts in the communities. We know with prayer, faith and guidance from God we can accomplish anything. Please keep us in your prayers as we continue our mission in helping others.

Sincerely,

*Jolynn Payton*
