

Gerald R. Genge

B.A.Sc., LL.M., C.Arb., Q.Med., P.Eng., BDS, BSS,

ADR, Litigation Support, Neutral Evaluation, and Expert Services

Jerry's experience in building engineering has allowed him to be recognized as an expert in the field. Clients range from professional bodies and insurers on matters of duty of care of professionals and compliance with applicable governing statutes to major construction claims in centres across Canada. Claim value for his assignments range from \$25,000 to over \$15 million. He is an ADRIC Chartered Arbitrator and Qualified Mediator and an ODACC and CAT Adjudicator. Jerry is a strong proponent of dispute resolution guided by persons with subject matter expertise and evidence-driven findings.

Building on this background, Jerry has been requested to prepared neutral evaluations and chair expert meetings as a Hot-Tub meeting facilitator to narrow issues and establish evaluation protocols and interpretation of findings.
