

"MPD" MULTIPLE PERSONALITY DISORDER (SRA) PART 2 OF 2 CHARISMATIC WITCHES

Many people don't realize what I am about to say, but it is the truth.

There are many Christians out there that think they are being lead by the Holy Spirit on a regular basis, but are not. Often alters will speak to the host from the inside, and if that person is a Christian, he or she may honestly think they are hearing directly from the Holy Spirit. There are many Christians who feel they have special abilities, a special gift from Yah, that enables them to come up with "words of knowledge", "prophecy", etc., that is nothing more than an alters voice from the inside. In the case of many so-called special spiritual women hearing from Yah constantly, beware, test the spirits. Most don't realize that in order to be lead by the Holy Spirit of Yah, one first needs to be "Baptized in the Holy Spirit, with outward evidence of speaking in tongues". Most who claim this are actually baptized with the false Holy Spirit, the counterfeit. For more information on this please look on our teaching page for details.

DELIVERANCE

Another important issue I must bring up, is that dealing with MPD can not be separate from deliverance. Anyone who is doing deliverance and is not dealing with the MPD factor, is simply not doing deliverance!!!!

HOW TO RECOGNIZE MPD

When an alter comes forward, there is a switch that takes place somehow. This is why the host seems to be so different in their actions and thoughts. The personalities of the various people (alters), are so diversified, and friends of the person involved, can't figure out why he/she changes their opinions, thoughts, and actions so rapidly. One day they may say or do one thing, and the next day they say or do something totally different.

Some of the things one might recognize in themselves or others that will tip you off as to whether or not a person has alters, are as follows:

1 The individual goes dramatically from right to left, or up and down in their thoughts and actions. Eg.. one moment their talking about dancing and in the blink of an eye they change to discussing fishing, without skipping a beat.

2 The individual loses time, they cannot account for perhaps 5 minutes to 8 hours of a day. They find themselves shaking

their head wondering what they have been doing for the last unaccounted for period of time. Eg..In many cases of time loss, the alter, using the hosts body, has gone and gotten her hair dyed a different color for no apparent reason.

3 People that you are not familiar with, recognizing you and talking to you as if you are a friend. Eg.. Someone comes up out of the blue and pinches your bum in a friendly manner because he or she has had an intimate relationship with your alter without you even knowing it. In some cases a woman may find herself in the arms of an unknown man who has just had sex with her, with the host having no idea whatsoever what is going on. This of course can be extremely frightening and dangerous for obvious reasons. It's safe to say that many men are in jail for a rape they didn't commit.

4 The alters may be learning something about an activity or an action that the host is not familiar with until the activity or action takes place. Eg.. A woman finds herself dancing like Ginger Rogers on the dance floor even though she has never enjoyed dancing. Or one finds themselves sitting at a piano tickling the ivories a bit with no head knowledge of learning to play the piano.

5 Sometimes the alters get a person in a difficult situation of promises made. Eg.. Your daughter says: "mom lets go to the mall now as you promised, yesterday". Or a realtor brings over an offer to purchase agreement for you to sign for a house you know nothing about.

6 Another common sign of an alter in a married man or woman is when they all of a sudden take off their wedding ring when in public. Eg.. Though the host may be married, the alter is considered single in his or her mind and doesn't want any wedding ring detouring them from finding a girl or boyfriend when having a drink in a lounge with a friend.

7 Sleep walking is a great example of when an alter takes over the body when the host is sleeping, gets up and does things without the host even realizing it. It's probably safe to say that most if not all, "sleep walking" is actually the manifestation of an alter.

These type of things can be a warning sign for you or those around you that there may be an alter present in your body. These alters don't necessarily do things to upset you or cause problems with you, they

are just being themselves and doing their own thing for a period of time when they come up. After all, they are human, and they have their own ideas about things they like to do and places they like to go.

COMMUNICATING WITH YOUR ALTER/INSIDOR

For individuals who recognize some of the things I have mentioned, and find themselves in turmoil, please don't feel bad about it. Recognizing the problem is the first big step. There is nothing wrong, and nothing strange about an alter becoming part of one's life. It doesn't make you a freak or any less than any other human being. What it does, is show you that the automatic system that Yah (God) set in place at Calvary, is still working efficiently and that you are one of the more fortunate ones who have survived. Having an insider is truly a divine intervention.

To communicate with your alter, this is what I would suggest:

- 1) Forget about your dignity and speak to yourself as if there is someone else in the room with you, even though you are alone. Speak to the alter as a true friend and twin. Tell them the truth, that you didn't know they were there inside of you. Get their trust by treating them appropriately, respecting them, for the person they are.
- 2) Get to know them. Listen for them speaking to you on the inside. Tell them that you want to get to know them and that you love them, because they are a part of you. Ask them to forgive you for being ignorant. Explain that you didn't understand.
- 3) Be honest about the situation. Accept the fact that there is an alter (if this is the case), and ask Yah to show you how to deal with it. Ask Adonai to lead you to a holy person who can help you with the situation. Find a person that is a real Believer in YHVH the (God) of the Bible to help you. This may not be easy, as we are finding out, because there are very few people who proclaim to know the God of Abraham, Isaac, and Jacob, and actually do know Him and follow Him. Ask Yah to somehow show you where to go for help, and then listen. Ours is an open offer to help anyone who is serious about receiving help.
- 4) Always test the spirits to make sure there is no witchcraft or astral projection involved. This is easier said than done, but is very important. One must make sure they are not being lead astray by familiar spirits, or being misled by journaling (listening/hearing what one wants to hear from oneself on the inside). You need someone anointed specifically to do this correctly.

FROM THE ALTERS/INSIDORS POINT OF VIEW

Most of the alters I have dealt with said that they felt rejected, unwanted, and left out of the life of the host person. They have usually tried many times to make contact with the host by speaking to them within, to no avail. Most alters explain that they are people too, but most people don't, and won't acknowledge it. Alters say they are just ignored and left out in the cold.

Many have told me that they took revenge on the host for not acknowledging their existence, and have done things to hurt them, just to get their attention, in most cases, again, to no avail. A person who is a "cutter", or keeps attempting suicide, are good examples of what could be caused by a depressed alter. Many don't realize that there are several bible verses that reveal to us the connection between demons and cutters.

Mark 5:5 *"And constantly night and day, among the tombs and in the mountains, he was crying out and gashing himself with stones. 1Kgs. 18:28* So they cried with a loud voice and **cut themselves according to their custom with swords and lances until the blood gushed out on them.**

One subject that few will dare talk about is the sexual needs of alters who were brought up in an environment of witchcraft. Because of the frequent sexual activity of alters that came in through coven ceremonies, they have a serious need to be understood sexually.

They often say that they want to enjoy some of the common activities of individuals out in the open as the alter, not as a hidden person in the background. They often want to come bravely forward and say: "My name is Cindy and I'm an alter, pleased to meet you"!! Can we talk?"

Alters don't usually want to go to the point of the pain that many say they should go to. This is an incorrect teaching that can result in another alter being formed if done incorrectly. This should only be done in a controlled environment, with knowledgeable people at hand.

Most alters (other than those involved in witchcraft), are anxious to talk to someone they can trust, about God, and how He can help them. Usually they are anxious to say the "sinners prayer" and be taken home-integrated, by someone who knows what they are doing.

And last but not least, they would like to tell you some things that will help you understand why they are the way they are. They want to teach you some things if you dare to listen.

SATANISTS (SRA-SATANIC RITUAL ABUSE), DEMONS AND ALTERS

There is no sympathy from the devil. People who have been exposed to any amount of formal satanic rituals almost always have MPD. During Satanic coven rituals-ceremonies, there are a lot of animal, adult and baby human sacrifices used to receive power from their master satan. They offer up these bloody sacrifices in the name of love for their master, "Lord of the flies", (an appropriate name for this slimy serpent). It is normal

for Luciferian's as such to cut live people and animals in half and remove hearts, organs and intestines in order to make a drinkable concoction for them to pass around and share. They regularly eat human flesh and drink blood during this process. They also have sexual rituals that I can hardly even begin to describe in words. It is common for a woman to be strapped down, with scarlet cords, to an alter, and be raped by a half man, half goat demon, named Baphomet during a sexual ceremony. As you can well imagine, the sick, misguided individuals observing such ceremonies must go through tremendous trauma witnessing it, even though they are doped up heavily. It is common for alters to break off during such ceremonies and actually take an active roll as a witch within the host person, whether or not they know about it. It is the coven masters and princesses job to not let any of the coven members know about these types of things, for fear they will lose control of the member. The master often uses his knowledge of alter personalities to dominate the ignorant coven members and keep them in line through demonic control.

Alters who have broken off from such incidents actually become full fledged witches in their own right. They take on the roll of a witch within a witch, and you can well imagine the chaos that this creates. These alter witches have the ability to cast spells, incant, speak in demonic Enochian tongues, give and receive demons, astral project, slay people in the spirit, etc., without the host person even knowing they exist. Because of the dominance of beastly (bestiality also), sick sex in covens, these alters become extremely sexually active and often take on sexual demons such as incubus. Once this happens, whether the host person likes it or not, they are raped by the incubus demon when and where he decides to rape them, and many are lead to masturbate abnormally.

DEMONS AND ALTERS/INSIDORS

Alters can be "demonized" individually or collectively. There can be alters that are demonized without the host person even knowing or being conscious of it. Most Satanists and witches don't even know they have alters. In some cases, demons may act/masquerade as alters in order to hide.

Demons can be attached to alters whether or not they are involved in witchcraft. They hide behind the alters and use them for their demonic activity as if dressed in camouflage. These demons sometimes need to be delivered from the alter itself as a person, or in many cases the demons are removed by the Holy Spirit after the alter accepts Yeshua as his or her Messiah. For those people who change their ways and accept Yeshua as their Savior, deliverance is the next step in receiving freedom to do as they wish in their lives.

There can be alters that co-operate in a deliverance and accept Yeshua Savior, and there can be alters that for some strange reason will not accept Messiah. It's a matter of how much, or whether or not the alter will surrender to the authority of Yeshua, that establishes a demons right to adhere to them and control them.

Many alters that came in through covens, satanic brotherhoods, and other witchcraft situations can astral project as well as or even better than the host person. In these cases the host may sincerely want help and accept Yeshua, but the witch alter will fight to the finish to continue to serve the master he or she is familiar with. In most of these cases the alter that has innocently become a witch has had his or her heart hardened by Satan so that they cannot think for themselves to chose what is better for them. These alters need to have their heart restored or replaced by the power of the Holy Spirit before they can accept and understand the truth. This can be a long and difficult process unless one is very familiar with the proper ways and means of helping these types of deceived alters. Again, it is the power of Yah that makes it possible for these alters to receive help, not the power of the individual person helping them. All praise and glory must always be given to Elohim. Hallelu-YAH!

Some interesting notes about alters:

Alters who are into witchcraft can curse their own host body.

Some alters using witchcraft, can even imitate someone else's voice and manner, for evil works.

Alters see, and touch, the same as the host body does, but often cannot read or write.

Alters live in a prison like environment when they are down, in a room or place, enclosure. That's why they are also called "insidors", inside doors. They are often kept inside the doors of the spiritual realm of the host persons body.

Strong alters can block out the host from knowing what's going on.

Alters working for the devil can have Satanic "seals" around them, as in the 7 seals of Revelation. Alters of witchcraft may summon demons for help regularly.

For those suffering pain and bad memory and emotion attached to a particular trauma they must loose the strongholds guarding that bad pain, emotion and memory.

Biblically, what takes place when a deliverance is done and the alters are integrated back home where they are whole again, is the "renewing of the mind" as in Rom. 12:2.

To those analyzing a persons condition, the main obvious difference between a multiple personality and a demon spirit is that the demon spirit is there to destroy the victim, whereas an alter is usually there to protect the individual. The alter is actually established in the person to protect the mind from traumatic events that have happened in the life of the individual. If it weren't for the MPD condition that was established, perhaps the person would have had a complete mental breakdown as a result of the traumatic event, or perhaps gone into shock, or what have you, because of the horrific event encountered.

INTEGRATION

The very first thing that a person must do to receive help with their alters, is to accept Yeshua the Messiah into their lives. This cannot be emphasized enough. Without Yeshua in your life you will not receive the help of the Holy Spirit to deal with integration and the restoration of the memory without the pain attached to it.

If people truly accept Yeshua as their Savior, and follow Him, they can be set free, and have their alters integrated back to the host person. Those who will not accept Yeshua as their Savior have the same problem that all other secular people do if they don't become Believers in Yah (God), only it becomes more complex.

NOTE

At DasYD Ministries, I actually DO integration. I have heard many people talk about alters and integration, but I have been unable to find anyone/anywhere, other than myself, that actually DOES integration. I'm sure there must be others out there, but I have never heard of anyone else that does so.

Recognizing alters, talking to, and dealing with alters is a good idea, but unless they are lead back to the host, nothing much has really been accomplished. The alters need to go back (integrate), with the host person in order for them to have the fulness of the life they deserve. To not integrate an alter is like leaving them in prison. Alters/insidors are people and they need to be set free. Their freedom is getting back to the host person ASAP, where they are safe and protected. Personally, I do not believe any integration can take place unless those doing it have the anointing of the Holy Spirit to do so. I can honestly say that unless Yah is in charge, no integration can ever take place. That makes it clear, that as far as the secular world is concerned, no doctor, anywhere, can actually integrate alters back to the host person. "Not by power or might, but by my Spirit says Yah"

If you know of anyone-anywhere that actually does integration, please notify me ASAP of this person.

In this Ministry, I give priority to the alters rather than the host person, because the alters more than likely haven't had the chance to choose or reject Yeshua.

After the integration

In most cases, a person feels empty, in neutral, after alters are integrated. The number of alters integrated of course makes a difference, but basically speaking the hosts feel somethings missing, but can't put their finger on it. It seems, that because that part of their personality is gone, they are not lead to the right or to the left, so dominantly. They find themselves in the middle somewhere, able to make a choice without interference. They are so free that they are not sure what to do with that freedom. They feel so UNINFLUENCED that they are left in a slight dilemma. In many cases alters have been making decisions for them on many issues all their lives and they didn't even notice it.

All of a sudden they don't have a craving to dance, or wear red, or even feel cold toward their husband or family. It's like they are back in grade one and have to briefly start over with a new life, a life of being able to choose what they want without any interference's or inside opinions that they never before understood, but obeyed.

They find themselves with little personality (pre-conceived ideals) guiding them one way or another because they truly are in neutral. They have the opportunity, you might say, to start over again. This is something all of us, at one time or another in our lives, have wished that we could do, but never were able to. A new beginning, a new, fresh start, a re-birth of sort. The ability to start over and head in the direction that logic

and experience have taught us to follow in. The ability to follow the Bible like we've always wanted, and were never bold enough to do. An opportunity to finally allow our rose to bloom, for us to appreciate, and others to see.

Understanding MPD is a key to understanding the Godhead

Before creation Yah separated a part of Himself in the form of Yeshua. You might also say He duplicated Himself. Yeshua was Yah, yet He was separate from Yah. Only when someone truly understands the essence of MPD can one truly understand the Godhead. In the following verses Yeshua is explaining what is now called MPD, as He was what may be called an alter of Yahveh.

The following are biblical examples of what Yeshua meant with His Red Letters:

John 8:42 *Yeshua replied to them, "If Yah were your Father, you would love me; because **I came out from Yah**; and now I have arrived here. I did not come on my own; he sent me.*

John 10:29-30 *My Father, who gave them to me, is greater than all; and no one can snatch them from the Father's hands. **I and the Father are one.**"*

John 14:9-11 *Yeshua said to him, "Have I been so long with you, and [yet] you have not come to know Me, Philip? He who has seen Me has seen the Father; how [can] you say, 'Show us the Father'? "**Do you not believe that I am in the Father, and the Father is in Me?** The words that I say to you I do not speak on My own initiative, but the Father abiding in Me does His works. "**Believe Me that I am in the Father and the Father is in Me; otherwise believe because of the works themselves.**"* Yeshua set precedence on the stake when He became the first human to split off an alter. It was Yeshua's Holy Spirit that broke off on the stake, a type of spiritual alter. It was necessary for Him to break off the spiritual alter of the Holy Spirit at Calvary so precedence could be established. This was done so that angels could in turn split off alters by making contact with human body's in the time of trouble. This system of breaking off had not been put in place by Yah at the time of creation (Adam and Eve). At that time it was not required.

Once a person understands thoroughly the concept of insiders, they can more clearly understand the concept of the Godhead. Yeshua said: "He who has seen Me, has seen the Father". Yeshua comes out of the Father, as an alter comes forward from a host. The concept is similar. You might say that the Father is one yet Yeshua came out from the Father. How can this be?

John 17:8-11 *for the words which Thou gavest Me I have given to them; and they received them, and truly understood **that I came forth from Thee**, and they believed that Thou didst send Me. "I ask on their behalf; I do not ask on behalf of the world, but of those whom Thou hast given Me; for they are Thine; and all things that are Mine are Thine, and Thine are Mine; and I have been glorified in them. "And I am no more in the world; and yet they themselves are in the world, and I come to Thee. Holy Father, keep them in Thy name, the name which Thou hast given Me, **that they may be one, even as We are.***

John 17:21-23 ***that they may all be one; even as Thou, Father, art in Me, and I in Thee**, that they also may be in Us; that the world may believe that Thou didst send Me. "And the glory which Thou hast given Me I have given to them; that they may be one, **just as We are one; I in them, and Thou in Me**, that they may be*

perfected in unity, that the world may know that Thou didst send Me, and didst love them, even as Thou didst love Me.

John 16:29-32 His disciples said, "Lo, now You are speaking plainly, and are not using a figure of speech. 30 "Now we know that You know all things, and have no need for anyone to question You; **by this we believe that You came from God.**" 31 Yeshua answered them, "Do you now believe? 32 "Behold, an hour is coming, and has already come, for you to be scattered, each to his own home, and to leave Me alone; and yet I am not alone, **because the Father is with Me.**

One of the most common verses and prayers known to mankind is the Shema which states: **Deut. 6:4** (Almighty speaking) "**Hear, O Israel! The LORD is our God, the LORD is one!**" . This prayer is recited by millions of Jewish people two to three times a day, yet do they fully understand the depth of this statement? Only after one truly understands DID (MPD) can one grasp exactly what the Shema is saying. I won't go any deeper into the Godhead issue because my main subject here is MPD, but it sure is food for thought isn't it?

SUMMARY

There is no doubt that MPD is an idea that most people will have difficulty comprehending, unless they recognize some of its symptoms in their own life. It's normal to reject things we don't understand, but the simple truth is; none of us understand it all. If we did, it would be hard to contain ourselves. Whether we want to admit it or not, most of us have been hellenized over the years in our western thinking. Because of the incredible influence of Greek culture over the last thousand years we have been taught to think philosophically, and trained to think in a psychological sense when it comes to things that are spiritual. Many of us, like doctors, feel we must label everything going on around us and put it in its little box. The wisdom given us in the word pictures of our Hebrew bible helps us to understand outside the little box into the world of supernatural divine situations. Those who are born again, believe and follow the living Word know of what I speak. The holy spirit reveals to us what is in-between the lines of our bible and in the unseen spirit world around us. If we are spirit filled we are able to understand more of this divine realm in a way that logic and common sense alone cannot grasp. How can the human mind grasp the love of our Father in Heaven is beyond our comprehension unless we are truly one of His chosen ones, willing to seek the truth of Yah's love and concern for us in His life. He has made many things possible for us, from healing and deliverance, to revelation, if we will be obedient to His word.

MPD is one of those spiritual laws that is hard to fully understand, but personally, I don't understand how gravity works, yet I am 100% sure it is a natural law. We may not yet understand how all these divine spiritual, physical, and emotional healing takes place, but we do know that it does. We do know the great physician and He has made many things divinely possible to those who follow His word. With this operation in the gifts of His spirit comes many responsibilities. We must always be aware of the counterfeit spirit out there presenting itself as true prophets and healers of the Most High. To be able to separate the real from the counterfeit is to separate the light from the dark. Those who may perform what appear to be miracles in the name of God, must first and foremost be followers of His Torah. If they are not, they are more than likely frauds. Discernment is what is required among Yah's people and it is something all should desire when and if they get baptized in the holy spirit. This is a basic requirement for anyone in a ministry position.

Understanding and working with people in regards to MPD is no different than any other part of ministry. Those whom Yah has anointed to work with people in deliverance and MPD must meet the standards set apart in His Word. These individuals must be spirit filled and willing bondservants of the Holy One of Israel. They must be dedicated to helping others be set free from the various bondage's of life. MPD is just one of the many forms of emotional bondage that many people suffer from, but it is one of the easiest forms of bondage to be set free from if one is serious and willing to cooperate in the name of the Master Physician, Yahveh. Those working with His power and authority are simply part of the body of Messiah, be it a very specialized part of that body that many do not fully understand yet.

For those alters and host person's that recognize the truth of what I have written above, I invite you to search out more truth and help from Yah, the God that I, at DASYD Ministry, serve. I speak to alters when I say that you can say the salvation prayer from the inside, and you will be set free. I invite you to reach out and grab the hand of the one who has been calling your name for many years. Our Yah loves all His children, and calls out to all of His children. Are you one of His children? Would you like to be one of His children? Are you bold enough to be one of His children? Are you willing to, of your own free will, invite Yeshua the Messiah into your life, to help you become a better person, an heir, a saint and a brother or sister of those who believe in the Word of Yah and follow it, one of the righteous ones, the "called out people of the way". If you feel that you would like to be able to call upon our "ABBA" (Father), then call on His name right now, and He will come into your life and help set you free from emotional and physical sickness. He will take you from being a captive in the slavery of Satan, to experiencing the agape love of the "King of the Universe", the "King of Kings", the "Lion of Judah", that is about to roar, as He comes back for His "Body of Messiah" in these last days.

If you feel you would like to meet the "Almighty One", the "Holy One of Israel" leading you right now, why don't you just let Him into your heart by speaking out loud the words of the following simple salvation

prayer.

"Yeshua, I believe that you died for my sins.

Messiah Yeshua, I believe that you rose from the grave and that you are alive today.

Adonai (Yahveh), I turn from my sins and I turn to you.

I open the door of my heart to you.

Yah, come into my heart, live your life in me.

Thank you, Yah, for hearing my prayer.

Rom. 10:9 *"For if you confess (make covenant) with your mouth that Yeshua is Yahveh and believe in your heart that Yah raised him from the dead, you will be saved. For it is by believing in your heart that you are made right with Yah and it is by confessing with your mouth that you are saved"*

Manchurian Candidate

There was a great movie made years ago about some of the terrible experiments the CIA did on people in order to manipulate their inner self. Starting in the early 1950's the CIA used all kinds of chemicals and shock treatments to study how people would react when being tortured. This included LSD and Sarin gas. This was at the time of the cold war. They tried to create zombies so to speak that would murder on command without remembering anything they did so that when questioned they would never give the truthful answer. They were dipping into something very close to MPD without even knowing it. They were trying to create alters and then manipulate them into doing exactly as commanded for the purpose of spying. They had stumbled onto something, but couldn't find a way to manipulate the people in the experiments in an orderly manner. They could not control them as they desired. This is just another example of how the mental health professionals and others have over the years dabbled with multiple personality in one way or another, not understanding what they were getting into. They were trying to mix a spiritual idea with a chemical and physical process to delve into soul power without even knowing what it was. They were unsuccessful.
