Innovation along with meticulous design and quality manufacture have resulted in this superior bespoke solution.

## **OUR IDEA**

When frameless glass showers are becoming second place and colour is playing a new role in bathrooms – Drench is born. Sharing different skills and driven by an spirit of innovation, we are now proud to introduce a bold new solution for your shower enclosure.

At Drench we have been working with some of the world's leading experts to manufacture enclosures that are at the forefront of design and engineering.

For years chrome and glass have been the two fundamental components of the shower door. This is about to change and we at Drench plan to revolutionise the industry. Rather than an accessory to the bathroom, our goal is to make the shower enclosure the focal point.

After almost half a decade of research and development, Drench now have a portfolio of 4 collections that complement these latest trends bringing a bold style statement to that once ignored space in your bathroom.

Drench has combined manufacturing techniques from a number of different industries and we are the first in the world to introduce them into shower door manufacturing.

Our production is so unique that we have a patent pending on our processes.

With our ever increasing manufacturing plant nestled in the countryside of Hampshire our expertise in engineering coupled with the latest in precision machinery guarantees the highest levels of quality.

All our components have been designed and manufactured in the United Kingdom, tested in accordance to BS EN 14428:2015. Manufacture in the UK not only allows us to offer a complete range of standard items but also gives us the capability to manufacture any design and bespoke configuration requested.

With Drench shower panels, designs, colours and textures are endless. The only limitations are your imagination.

## **PRODUCT FEATURES**

## MADE IN THE UK

Drench products are manufactured in the UK.

## LIFETIME WARRANTY

Drench products are lifetime guaranteed. For further details see Sales Terms & Conditions.

## RAL CLASSIC COLOURS AVAILABLE

Standard items are available in Black RAL 9005 and ALL RAL Classic colours are available as bespoke (\*).

## **EASY CLEAN**

The metal framework is only on the external face of the shower and the glass is treated to make it easy clean.

## **TOWEL HOLDER OPTION**

Some of our styles offer towel holder option. For further details see Accessories pages.

## **ADJUSTABILITY**

Drench products are adjustable. Every product is designed considering tolerances.

## **8MM GLASS**

Products are available in 8mm toughened glass BS EN12150. See further detail opposite.

(\*) Due to matching colour reasons we can guarantee 100% accuracy on RAL CLASSIC system. RAL Design or RAL Effect systems are available under request. RAL CLASSIC is the most commonly used colour system in the industry. You recognise this by the 4 digit numbers; for example our standard Matt Black, RAL 9005.

DRENCH Product Catalogue is available in both EQ Software and Virtual Worlds platforms.

Do not hesitate to contact us if any further information required. sales@drenchshowers.co.uk

## ABOUT OUR GLASS

## **Safety Glass**

**DRENCH** products are manufactured using the highest quality of Toughened and Safety Glass in compliance with **BS EN12150-1-2015**.

## THIS MEANS OUR GLASS HAS BEEN MODIFIED BYTHERMAL TREATMENT TO GIVE:

- Strength and Flexibility in accordance with BS EN 12150.
- Safety up to BS EN 12600 Class 1.
- Improved resistance to heat.
- High strength to weight ratio.
- Light transmission equal to ordinary glass.
- Safe to handle sharp edges are removed.

## **Easy Clean Glass**

**DRENCH** products are treated with a special coating, known as Enduroshield, on the internal face of the shower to make it **easy clean**.

EnduroShield® for Glass is an optically clear liquid that is sprayed onto glass and chemically bonds to the surface creating a non-stick barrier resistant to corrosion, etching, and staining.

However, while cleaning is made easier and less fequent, the need to clean is not eliminated.

## **Glass Finishes**

**DRENCH** standard products shown in this brochure are manufactured using CLEAR GLASS 8 mm toughened.

FLUTED, GREY TINTED & FROSTED GLASS are also available with an extra 30% surcharge.

Fluted Glass

Grey tinted

**Frosted Glass** 

Clear Glass

## ABOUT OUR METAL

## Metalwork design

Metalwork design is made from an aluminium sheet laser cut and bonded to the to the external face of the glass.

DRENCH Manufacturing technique has a patent pending published number GB2562114 and named Hygienic Decorative bathroom partition.

This method is a key component in the manufacturing process of our **easy clean products.** 

**DRENCH EUROPE LTD** developed this technique using two different types of systems along the different collections.

FOLDING Sytem Detail

LITE Sytem Detail

The FOLDING System based on the use of a full aluminium sheet laser cut and bonded to the glass folding on the edge and creating perfectly smooth corners. This is our FRAME collection, our premium range and the maximum expression of DRENCH showers concept.

The LITE System based on a piece of glass fully framed with our own profiles and laser cut pieces of aluminium bonded in the front face, recreating the chosen pattern. This is the technique used for FRAME Lite, DECO, LINEA and BORDER collections.

## **Colours & Finishes**

The metalwork is finished using **Architectural Powder coating** which produces a highly durable surface ordinarily suitable for external use in any weather. For our shower this means the finish is robust enough, even for the busiest family bathroom, and the colour will always look perfect.

Our standard colour is **Matt Black RAL 9005** and ALL RAL Classic colours are available with a 30% surcharge.

## MAINTENANCE AND CLEANING

## **Profiles & Aluminium Frames**

The best type of product is a mild detergent solution with warm water.

A sponge or soft cloth should be used and nothing should be harsher than natural bristle brushes.

## **Glass**

There is an **Easy clean coating** to the internal face of the glass only.

Please be advised that on occasions there may be mist to this face. This can be easily removed with dry lint free cloth. For daily cleaning we recommend to use a conventional glass cleaner and a squeegee, especially for the internal side.

## **Key Steps to maintain your DRENCH Shower in good condition**

We recommend **regularly wiping** your product with a lint free soft cloth.

You may like to use a **squeegee** to remove water splash.

Should you wish to use a bathroom cleaner, it should be a **mild detergent** only and ensure it is rinsed thoroughly with clean water.

Never use any solvents, abrasive cleaners or cloths or anything containing bleach.

It is important to follow DRENCH nstructions to guarantee a correct performance of the product so please do not hesitate to contact us if any further assistance is required.

Contact us at sales@drenchshowers.co.uk

## **TIPS TO ORDER. Product Portfolio**

Here below is a quick guidance on our Product Portfolio. Please follow steps and notes per product configuration in order to find the correct information in the brochure.

## **Fixed Panels**

- Choose between FRAME, DECO, LINEA & BORDER and go to **Fixed panel section**.
- 2 Choose between Wall fixed or Free Standing or Fixed Panel with Flipper
- Take **price and code** according to dimensions required.

Please Note prices shown are for Matt Black and Clear glass option.

- +30% for anyother glass option FROSTED, FLUTED and GREY TINTED.
- +30% for any RAL Classic finish.
- +50% for FROSTED, FLUTED or GREY TINTED Glass+RAL options.
- Do you need any **different Support Bar**? Go to the following page to Support Bars Section.

## **Bath Screens**

- Choose between the Collections and go to **Bath Screen section**.
- 2 Choose between **Wall fixed or Pivot Hinged**

Please Note RIGHT or LEFT Hand hinge needs to be specify on Pivot hinge option.

Take **price and code** according to dimensions required.

Please Note prices shown are for Matt Black and Clear glass option.

- +30% for anyother glass option FROSTED, FLUTED and GREY TINTED.
- +30% for any RAL Classic finish.
- +50% for FROSTED, FLUTED or GREY TINTED Glass+RAL options.

## **Shower Doors**

- 1 Choose between the Collections and go to **Single Shower Door section.**
- Find out shower layout, is it for a **Recess** or would it be a **Shower Enclosure**?

  If Shower Door is for a recess, please note the Adjustment range before ordering.

  If Shower Door is part of an Enclosure, please note the Adjustment range and do

If Shower Door is part of an Enclosure, please note the Adjunct forget ordering your Return panel.

3 Choose between **Left or Right Hand hinge.** 

Codes including L mean Left Hand Codes including R mean Right Hand

4 Choose between **Opening Inwards or Outwards.** 

Codes including I mean opening Inwards Codes including O mean opening Outwards

Take **price and code** according to dimensions required.

Please Note prices shown are for Matt Black and Clear glass option.

- +30% for anyother glass option FROSTED, FLUTED and GREY TINTED.
- +30% for any RAL Classic finish.
- +50% for FROSTED, FLUTED or GREY TINTED Glass+RAL options.

Please note DRENCH Shower doors include Standard handle, fixings and seal required to guarantee a correct installation.

Door hinged to

## **TIPS TO ORDER. Sample Layouts**

Here below are some ideas on how to use this Brochure and how to work out the requested layout by the customer using DRENCH products.

## **Fixed Panel Combinations**

Possibilities are endless taking into consideration the wide range of fixed panels that can be combined with Fixed Panel with Flipper panel and recreate a walk-in shower area.

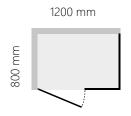

For a Shower Tray 1200 x 800 mm:

- \* Wall Fixed Panel 800 mm + Flipper Panel 300 mm
- \* Wall Fixed Panel 800 mm

### Please note Support Bar Section when ordering 2 panels.

FRAME	DECO	LINEA 	BORDER	FRAME Lite
FXFRA80FLIPL	FXDEC80FLIPL	FXLIN80FLIPL	FXBOR80FLIPL	FXFTE80FLIPL
FXFRA80	FXDEC80	FXLIN80	FXBOR80	FXFTE80

## **Shower Door with Inline Panel & Return Panel**

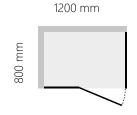

DRENCH shower enclosures are wide enough in terms of options so here is a sample for a **Shower Tray 1200 x 800 mm**:

- \* Shower Door LH (900 mm), Opening OUT closing into an Inline Panel (300 mm) for a total with of 1200 mm.
- \* Corner Return Panel RH (800 mm)

## Please note Adjustment range "with return".

#### Features:

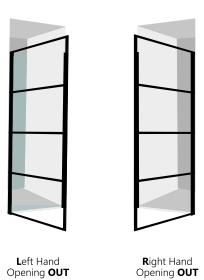

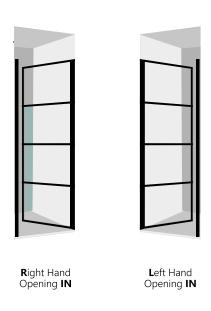

\*Patent Pending

## Single<br/>Shower Doors

DRENCH shower doors are both robust and sophisticated. Our pivot mechanisim is manufactured using zinc die castings which give a durable and strong door performance. The magnetic closing post creates a secure seal after the shower door is closed.

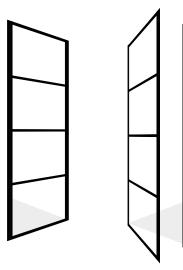

\*Patent Pending

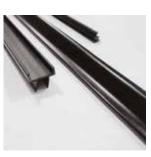

## Single Shower Doors

Shower Door Left or Right Handed

Door is hinged to wall and both left and right hand options available. Code ending in L, means hinge on the Left and code ending in R, means hinge on the right.

Fixings, seals and every component of our standard shower door range is finished in **Matt Black.**

#### **Please NOTE**

\*Glass Options available: FLUTED, GREY TINTED or FROSTED glass available plus aditional 30% to prices shown.

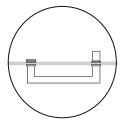

Please see page 7 for further detail on our glass.

\*All RAL colours are available plus aditional 30% to prices shown.

\*When both RAL colour and Glass option chosen please add 50% to prices shown.

Please check Adjustement range shown above before ordering. DRENCH is not liable for different dimensions on site.

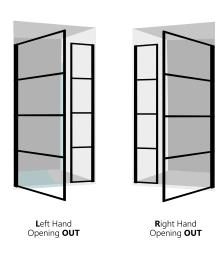

#### **Accessories**

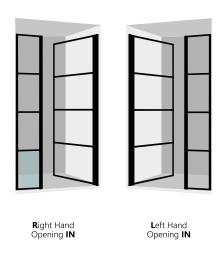

#### Handle Outside & Knob Inside Included in prices above.

Shower doors bring horizontal square handle 25 x 10 mm, 457 mm width and 60 mm projection.

Suitable to be used as towel holder in the outside with knob in the inside.

## Shower Door with Inline Panel

Drench recess shower solutions include a range of complimentary inline panels. Our standard range is carefully designed to keep the grid pattern balanced which is of paramount importance within our FRAME collection. The product is completed with a support bar which gives stability and durability to the enclosure. BESPOKE sizes are available, contact us for further information.

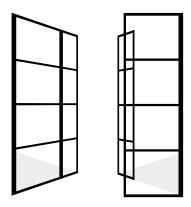

\*Patent Pending

#### **Shower Door**

#### with Inline Panel

Door is hinged to wall closing into an Inline Panel.

Both left and right hand options available. Code ending in L, means hinge on the Left and code ending in R, means hinge on the right.

Fixings, seals and every component of our standard shower door range is finished in Matt Black.

Please check the Adjustment range shown below before ordering.

DRENCH is not liable for different dimensions on site.

## Single<br/>Shower Doors

DRENCH shower doors are both robust and sophisticated. Our pivot mechanisim is manufactured using zinc die castings which give a durable and strong door performance. The magnetic closing post creates a secure seal after the shower door is closed. Pull handle and towel holder accesories are available to complete the ítem.

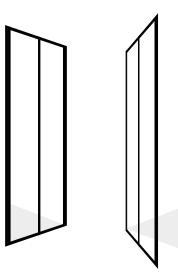

\*Patent Pending

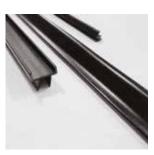

## Single Shower Doors

Shower Door Left or Right Handed

Door is hinged to wall and both left and right hand options available. Code ending in L, means hinge on the Left and code ending in R, means hinge on the right.

Fixings, seals and every component of our standard shower door range is finished in **Matt Black.**

#### **WARRANTY TERMS**

DRENCH products have a lifetime warranty against faulty materials or workmanship according to the following rules:

- Proof of purchase in the form a receipt or invoice is required in order to validate the guarantee.
- In the event that a product is faulty the defect must be notified to our technical department within 30 days of the fault happening.
- The product has been purchased in one of our authorised dealers for normal domestic use and it was not purchased as an ex-showroom display.
- The product has not been handled carelessly or misused and has not been wilfully damaged, neglected or used in abnormal conditions.
- The product has not been modified, altered or transformed in any way.
- The guarantee will not apply in the event of any repair if DRENCH EUROPE LTD had not been

- informed accordingly and it was not carried out under DRENCH EUROPE LTD authorisation/ supervision.
- The guarantee will not apply if installation, use and maintenance has not been carried out in accordance with DRENCH EUROPE LTD installation instructions.
- Damages and breakage of glass are not covered by the guarantee as all glass used by DRENCH EUROPE LTD conforms to EN12150-1.
- Fair wear and tear of the product and lime scale and mildew are excluded from the guarantee.
- Seals, subject to wear and tear are guaranteed only for a period of 12 months.
- Labour costs are not covered under guarantee unless specifically authorised in writing by DRENCH EUROPE LTD.
- The benefit of this guarantee cannot be assigned.

- The guarantee does not cover any further right than those expressed above and it does not cover any claim for consequential loss or damaged.
- This guarantee is offered as an extra benefit and does not affect your statutory right as a consumer in any way whatsoever.
- In the event of a claim under our guarantee a site visit is required which will be chargeable.
   This will be refunded in the event that the product is defective or manufactured incorrectly.

In the event that a replacement product is required and the product is no longer available, Drench Europe will replace it with the nearest available product

#### **TERMS AND CONDITIONS**

#### Definitions

- 1. 'Company' means DRENCH EUROPE LTD.
- 2. 'Customer' means customer of the Company.
- 3. 'Conditions' means the below conditions of sale.
- 4. 'Contract' means any contract entered into for the sale of goods by the Company to the customer.
- 5. 'Goods' means any Goods the subject of any contract and shall include any part or parts of them and materials incorporated in them.
- 6. "Standard Items" means any item included in pricelist/catalogue with a specific description of size, colour and configuration.
- 7. "Bespoke" or "Non-standard items" mean any item manufactured made to measure as per customer request. Items in any specific RAL colour are considered "Bespoke" or "Non-Standard" despite size or configuration.
- 8. 'Carrier' the company person or persons with the object of delivering the Goods to the Customer.

#### **TERMS & CONDITIONS OF SALE:**

- 1. All orders are subject to these Conditions unless otherwise agreed. All goods are subject to availability. If you do not understand any of the following please e mail us at us at sales@drencheurope.co.uk or telephone 02380274945.
- 2. These Conditions represent the entire Conditions of sale and nothing shall operate to in any way alter or vary the Conditions without the prior approval of DRENCH EUROPE LTD.
- 3. These conditions shall apply to all contracts to the exclusion of all other conditions express or implied by statute or otherwise to the extent as is permissible by law
- 4. Acceptance of Goods by the Customer shall be conclusive evidence before any Court of Arbitrator that these Conditions apply. DRENCH EUROPE LTD reserves the right to change the Conditions without prior notice. Customers are advised to check for any variations to the Conditions before an order.

#### PRODUCTS:

2. All items are delivered with fixings and instructions for installation. For any further information please email us at sales@drencheurope.co.uk
3. It is very important that both Installation and

It is very important that both Installation and Assembly of DRENCH Products are performed by qualified professionals and according to instructions supplied.

All images, specifications and advertising on our website are for the sole purpose of giving an approximate description of the goods. All information given to the Customer is approximate and intended as a guide only. We always endeavour to ensure all product descriptions are correct, but we advise customers to seek technical advice from qualified sources prior to ordering products including any installation work that may be required.

#### PRICES:

All prices featured in this price list are recommended retail prices including VAT. DRENCH EUROPE LTD does not accept liability for any mistake or calculation error made when drawing up a quotation.

#### ORDERS:

Orders may be placed via Agents, Sales Representatives or directly submitted to our Commercial Department. A written format may be required when placing an order. DRENCH EUROPE LTD do not accept orders via phone or any other means other than email/post. DRENCH EUROPE LTD reserves the right to refuse any order. Orders are accepted on the basis the Customer has read and accepted these conditions.

#### CANCELLATIONS & MODIFICATIONS:

No order cancellation or modification will be accepted once the manufacturing process has started. In any event, there is a maximum period of 24 hours from receipt of order to ask for any modification or cancellation.

To exercise your right of cancellation within 24 hours after receipt of order you must give notice by post, telephone or by emailing us at sales@drencheurope. co.uk giving details of goods ordered and the delivery details, we will then contact you and supply a confirmation of cancellation. Orders can only be cancelled once this confirmation has been provided, any claims for cancellation will not be entertained unless a confirmation can be supplied.

If any order is cancelled before you receive the goods, all delivery and collection costs that have been incurred from our transport company will be your responsibility and this will be deducted from the amount refunded.

#### **DELIVERY:**

Please check all deliveries for damages or discrepancies within 48 hours from receiving the goods. Claims for damaged goods must be notified to DRENCH EUROPE LTD you within 48 hours by telephone, email or phone and confirmed within 2 days by e-mail stating any damages and/or defects of the goods received from the courier. Unless we have notification within this time period, we have no claim against the courier and therefore we will not be liable for any claim made against our company. Please note that all items must be removed from the packaging and checked within the above time scale, please check all contents.

#### **RETURN POLICY:**

We hope that you are happy with your purchase but should you wish to return any item to us, the return of the goods must be done subject to the following conditions:

- 1. The return of goods will only be admitted when it has been accepted and communicated accordingly by DRENCH Commercial department.
- 2. The return of goods will only be admitted with the condition as new, in the packaging provided and with all the components provided in the initial delivery.

  3. Bespoke and non-standard items are non-returnable.
- 4. The goods must not have been installed or attempted to be installed. (Please do not return items that have been installed as no refund will be given) 5. Customers are responsible for obtaining proof of delivery and receipt of returned goods. It is the responsibility of the customer to ensure that returned item(s) reach us in good condition.

#### **RETURNS ADDRESS:**

DRENCH EUROPE LTD Unit 5 & 6 Deerpark Farm, Hursley Road Hursley SO21 2LD, Hampshire United Kingdom

#### RETENTION OF TITLE:

1. The Goods shall be at the Buyer's risk as from delivery.

1.2 In spite of delivery having been made property of the Goods shall not pass from the Seller until: 1.2.1 The Buyer shall have paid the Price in full; and 1.2.2 No other sums of any kind shall be due from the Buyer to the Seller.

#### **PAYMENT CONDITIONS:**

Payments can be made by BACS transfer or Cheque. Payment terms may be agreed between Agents, Sales Representative or Drench Commercial Department and the customer.

In the event of outstanding payments DRENCH EUROPE LTD will not dispatch any goods.

#### **DIVISIBILITY CLAUSE**

This contract is divisible. Each delivery made hereunder: 1) shall be deemed to arise from a separate contract, and 2) shall be invoiced separately and any invoice for a delivery shall be payable in full in accordance with the terms of payment provided for herein without reference to and notwithstanding any defect of default in delivery of any other instalment.
