

THE HANOVER CULTURAL COUNCIL WELCOMES YOU TO HANOVER DAY!

ABOUT HANOVER DAY

Since 2006, the Hanover Cultural Council (HCC) has sponsored the annual Hanover Day Festival, which attracts over 5,000 attendees each year! Through rain and shine, and with the enthusiasm of craft and artisan vendors, businesses, and residents, the celebration continues to grow.

The event is planned year-round by a dedicated committee of volunteers and combines live music and entertainment, a 5K road race, community art show, historical demonstrations, athletic events for all ages, a quilt show, carnival rides and games, kids activities, a juried art show, and a fantastic fireworks display over Hanover Center.

The goal of the HCC in creating this event was to build community and to showcase the talents and specialties of local residents. Money raised through Hanover Day event is given back to the community in the form of grants for the arts, sciences, and humanities to benefit Hanover residents of all ages and backgrounds.
