Manager, Desktop Support for Midland National Life

5) What are your goals for your canine partners in 2015?

In 2015 I will be running Finished level Hunt Tests with Justice working towards 500 Points, she currently has 235 and each Finished test that you pass is 15 points. My 500 point goal completion is set for 2016.

6) Why did you choose your breed?

I've always loved to pheasant hunt so I've always had a Labrador Retriever. We always attend the SEKC puppy and obedience classes so they get a good starting foundation.

7) Is there anything that you will absolutely not eat?

I use to have Sushi on my list, now I love it so probably not.

8) If money was no object what would be your dream vacation?

I would love to travel the world, there are so many fascinating places to see.

9) Do you have any other hobbies?

I love working with dogs, training for HRC (Hunting Retriever Club) Hunt Tests, I love to hunt and fish and anything just so I can be outdoors. I also love to take pictures.

10) What is the wildest thing on your bucket list?

It's not wild but I would love to have an opportunity to get to Hawaii someday.

11) Anything else you would like to add

- 8) If money was no object what would be your dream vacation?

I have always wanted to see the “new” 7 Wonders of the World – the Taj Mahal in India, the Colosseum in Rome, the Great Wall of China, Christ the Redeemer in Rio de Janeiro, and the ancient city of Petra in Jordan. We’ve been lucky enough to visit two already: Chichen Itza in Mexico and Machu Picchu in Peru.

- 9) Do you have any other hobbies?
Our main hobbies are dogs, hunting and camping. I would also like to try skjoring.
- 10) What is the wildest thing on your bucket list?
It's nothing too wild: when we retire I'd like to live off the grid in our RV exploring the country for months at a time in our RV.
- 11) Anything else you would like to add
We feel blessed to have met so many wonderful friends at dog events.

Presidents Message

Well it is spring and Mother Nature has had us on a rollercoaster. Everyone is busy getting ready to show, showing and traveling. The club has two exciting seminars coming up also: Nose Work with Jill Marie O'Brian on Saturday and Sunday (April 11 & 12). All the working spots are taken but we are still accepting auditors, \$50 for one day or \$75 for two days. Contact me if you are interested. In June (Saturday & Sunday the 13th & 14th) there will be an obedience seminar with Sandra Ladwig. Carol Everetts for more information. (egodog@svtv.net)

Classes are going very well and we are almost ready to start obedience again. We will also see how the Nose Work seminar goes and that hopefully will be another class for people to enjoy. Kristine and committee did a great job on the Awards Banquet this year and I hope we have double the awards next year. It is great when we as a club can get together in a social setting with no business to conduct. Good food, conversation and laughter and the best things going.

Check your calendars as we will need help with the seminars (food, check-in etc), the Summer Obedience in July, the Agility Trial in August and the Fall Show in October.

Keep Tammie posted with information for the web site, which by the way, she has done a fantastic job with, but send her pictures. Also, remember to update face book with special news. I will see you at the April meeting which is really going to be special and you don't want to miss. Tammie will be out again with directions and information. The meeting is **NOT AT THE CLUBHOUSE!**

Have fun with your dog and be safe in your travels.

Paula
