

## Quilt Show Entry Instructions

Thank you for allowing NIQ to display your quilt. Please note: Insurance for your quilt is **not** provided by NIQ. We take precautions to protect your quilt, but are not responsible for events beyond our control. A quilt may be denied entry if the category being requested is already full, so early registration is advised.

- Completely fill out a separate form for each quilt entered. Be sure to fill out **both** top and bottom sections.
- Print legibly as the quilt details and description (**50 words or less**) you provide will be transcribed to small cards and placed on the front of your quilt during the show.
- Separate the entry form from the instructions and **do not cut off the bottom section titled “Quilt Receipt”** ~ it will be returned to you when you drop off your quilt.
- Quilts 60” or wider will need a 4” sleeve attached to the quilt top back. Quilts 84” or wider will need a 4” split sleeve attached to the quilt back or a small slit in the middle of the sleeve to allow a hanger to be placed to support the weight. This can be a temporary or permanent sleeve. Sleeve instructions are available online at [www.northidahoquilters.com/quilt-show-registration](http://www.northidahoquilters.com/quilt-show-registration).
- Label your quilt by attaching a muslin label with your name, address and phone/cell phone number to the **lower right-hand corner** of the quilt back.
- Attach a muslin label with the word **“top” to the top center back** of your quilt.
- Place each quilt entry in a **clear plastic bag with the name label showing.**
- There will be only one drop off location:
