

Pathway To H.O.M.E Counseling and Wellness Services, LLC.

Sliding Scale or Reduced Price Policy

Because you took the time to schedule your appointment, Pathway understands how valuable that is to you. If for any reason you are going to be late, please notify your therapist of such. Every client is important and the slots taken are done so with careful planning. Pathway wants you to have your time with your therapist as much as possible. But also, be mindful that there are others who have been allotted slots for their session as well. Because of this, if you arrive late to your appointment, and still want to be seen, you will be seen within the hour that you have left of your allotted time slot. **You will still be charged for your full hour.** Please note and understand that if you are charged or normally billed at a sliding scale or reduced rate, that when appointments are missed, you will be charged the **FULL STANDARD FEE AMOUNT.** **All payments must be submitted before your next session.**

We appreciate your help in keeping the office schedule running timely and efficiently.

STANDARD FEE FOR INDIVIDUAL: \$90/HR

STANDARD FEE FOR FAMILY/COUPLES: \$120/HR
