

I believe in the one true God and that we are created in God's image by the Father and the Son and the Holy Spirit.

I believe in the tri-unity of God and that each person of the Holy Trinity is divine, distinct and eternal.

I believe that God is holy, righteous and perfect in every way. God is light and in Him there is no darkness, evil or sin. God's ways are higher than man's ways and His wisdom is unlimited.

I believe that life on this earth is a test which determines our eternal destiny. The treasures of Heaven are for those who overcome.

I believe in the Day of Judgment, the separation of the righteous from the wicked, and the reality of Heaven and Hell. We are commanded to fear God because He has the power to cast us, body and soul, into Hell. A true fear of God is the beginning of wisdom and we must tremble before the Lord.

I believe that all have sinned and fall short of the glory of God. Therefore our only hope of salvation is found in the sacrifice that God Himself has given to cover sin.

I believe that Jesus Christ came from Heaven, born of a virgin, so that He could live a perfect life and shed His holy, righteous blood to atone for the sins of the world. Jesus is the Lamb of God who takes away the sins of the world.

I believe in the miracles of Jesus, that He is the Healer and the Deliverer, and that He has risen from the dead, so that all who believe in Him can have eternal life. Jesus is alive! Through the Spirit of holiness, Jesus was declared with power to be the Son of God, by His resurrection from the dead.

I believe we are at war against the devil, as he seeks to destroy the unbelievers and to

mislead the weak Christians; yet we have been given the authority of Christ to cast out evil spirits and to crush the head of the ancient serpent.

I believe that Jesus Christ ascended back to Heaven and He is now glorified, seated at the right hand of God the Father.

I believe that Jesus has sent the Holy Spirit to anoint apostles, prophets, evangelists, pastors and teachers to continue His magnificent ministry and to train all believers for works of service.

I believe we are called to go into all nations of the world to preach the Gospel and that the New Covenant has fulfilled the Old Covenant.

I believe we are called to seek and to save the lost, to prepare the righteous for Christ's return, and to warn the wicked to repent, to humble themselves and change, before it is too late.

I believe that Jesus confirms His Word with signs and wonders, visions and dreams, and manifestations of the spiritual gifts. The power of the Holy Spirit is at work today. The Bible is a book of miracles because our God is a God of miracles.

I believe that the Lord Jesus will come back with His powerful angels to judge the world. Those who are faithful to the call of God will have great treasures in Heaven, while those who refuse to believe the Gospel will have eternal torment in the lake of fire for having lived in sin, rebellion and defiance of the Lord God Almighty. The enemies of God are in a terrible position.

I believe that there is life after death and what you do with your life determines your eternal judgment. By your own words, actions

and confession you will be saved or condemned.

I believe that we must live for God while we have the chance. Today is the day of salvation and tomorrow may be too late.

I believe that the pure in heart will see God; which means that those who lack moral purity have blockages that hinder them from understanding spiritual truth.

I believe we must repent, especially turning away from the sins of idolatry (worshipping man-made gods), hatred, murder, unforgiveness, witchcraft, drunkenness, lying, thieving and sexual immorality (which includes fornication, adultery, homosexuality, committing rape or incest). The marriage covenant needs to be taken very seriously in order for any nation to walk on the highway of holiness.

I believe we must renounce all sin and turn from it completely to pursue righteousness, holiness and truth.

I believe that to be saved you must take Jesus as your Lord, Saviour and Master. Everyone urgently needs to follow Jesus Christ, the King of Glory, the Lord of Heaven, and acknowledge His Sovereign Power. You must give your life to the Lord Jesus, live for Him and serve Him forever.

I believe that to enter the kingdom of Heaven you must be born again. This is a spiritual birth which takes place by the Holy Spirit when Christ comes and lives in your heart. The true Christian has the presence of the Father and the Son and the Holy Spirit dwelling within them. If you do not have Christ in your heart, you are not a true Christian.

I believe that no matter how bad a person's sins are, if they sincerely repent and call upon

the name of the Lord, they can be forgiven. Faith in Jesus and in His precious blood is what saves us.

I believe that the Holy Spirit convicts people of their guilt in regard to sin, righteousness and judgment, and without holiness no one will see the Lord.

I believe that those who do not remain in Christ do not have salvation. Christians backslide because they ignore the conviction of their sin. They compromise, make excuses and drift away. If the prodigal sons and daughters do not repent and return to the Father they are lost and dead in their sins.

I believe that God is perfect love; He loves people and He wants you to be saved. He gives people many chances to know Him and to return to Him if they have fallen away.

I believe that faithfulness to Jesus is necessary for salvation. Many are called but few are chosen because they love the world more than God and they are unwilling to deny themselves, take up their cross, and follow Jesus wholeheartedly.

I believe that the path to Heaven is a straight and narrow path. No one can come to God except through Jesus Christ and it is only through His name that we can be saved. Those who deny who Jesus is will die in their sins and be lost forever. To be saved we must unite ourselves to the Lord and hold fast onto Him. Never let go of Jesus.

I believe that those who acknowledge Christ before men will be acknowledged before God the Father and the angels. Those who deny Christ will be denied salvation by God. Is your name written in the Lamb's Book of Life? You cannot be saved unless you confess "Jesus is Lord!" and believe that God has risen Him from the dead. Jesus is the living Saviour!

I believe that God saves those who believe the preaching of His Word. Therefore a primary job of the Church is to train, equip and send forth preachers, missionaries and evangelists. We should look into the fires of Hell and the glories of Heaven so that we have a burden for lost souls. Repentance and forgiveness of sins must be preached in Jesus' name to all nations. Therefore we must make great sacrifices for the sake of the Gospel.

I believe we must do all we can to help others find the truth in Christ, so they can also experience the reality of walking with the Lord and inherit eternal life.

I believe that Jesus has called you to follow Him and to be trained as one of His disciples. He has called you for a special purpose and the kingdom of Heaven needs you.

I believe you need to learn the art of intercessory prayer and sharing the Gospel, especially by using your testimony. For revival we must focus on repentance, prayer, evangelism and discipleship. If any church is not strong in prayer, evangelism and discipleship, they must repent. We cannot be lazy, lukewarm Christians. We must be on fire for God. Respond to the call of God upon your life and walk as a true believer. Everyone needs to believe in God; for without faith in God it is impossible to please Him.

THIS IS WHAT I BELIEVE

'Watch your life and doctrine closely. Persevere in them, because if you do, you will save both yourself and your hearers' (1 Timothy 4:16).

'Preach the Word; be prepared in season and out of season; correct, rebuke and encourage—with great patience and careful instruction. For the time will come when men will not put up with sound doctrine' (2 Timothy 4:2-3).
