Lincoln Park Schools PTO

Issue 4

February

SAVE THE DATE!!! February 27-March 3

The PTO is excited to announce we will be having our annual Book Fair at LPES. It will be held during the school day for the elementary school students. A schedule will be provided so you know what day your child will be attending. We will be also holding an after-school event for the middle school students and for family shopping. This will take place on Tuesday, February 28th from 6:00-8:00 PM. We invite all students & parents from LPES & LPMS to stop by & shop for books.

There will be a flyer coming out soon with more information. If you have any questions, please send them to pto4lps@gmail.com

All for Books Coin Race - LPES

This year we will be participating in the Scholastic "All for Books" program. All the money collected goes directly to purchasing more books for the classrooms and school library. Scholastic will match the monetary donations raised with a donation up to one million books to non-profit organizations dedicated to helping children and families in need. From February 21st through February 27th - we will be holding a House Coin Race at the school. The Main Office will receive a container for each House and any families interested in participating can send loose change (dollar bills accepted, too) with their child. At the end of the race, we will tally all the money collected. We will announce the House that raises the most money.

Feb 21st - Pennies Feb 22nd - Nickels Feb 23th - Dimes
Feb 24th - Quarters Feb 27th - Any coins or bills

E-Wallet & Round Up

In addition to "All for Books," we will have the "round up" feature at our Book Fair. This will round up the total of your purchase in cents to the nearest dollar. Both activities are strictly voluntary. They are just a fun way to get the students excited about the Book Fair, to purchase more books for our school, and to donate to other children in need. We are also bringing back the E-Wallet. Please visit <https://www.scholastic.com/bf/lincolnparkschools> and click Get Started.
