

IMPORTANT! NEW THIS YEAR ~

1) Please make sure you ACCURATELY measure & submit the HEIGHT & LENGTH of your entire PARADE UNIT. This is *crucial* going forward...We need to make sure you CAN or CANNOT fit under the bridge as well as fit in the allotted staked out space for your unit.

2) Fire Departments – please let us know if you are participating and provide # of units and exact dimensions of units. **3)** Please provide us with an ACCURATE EMAIL ADDRESS (that is monitored often) and a MAILING ADDRESS. We plan on MAILING & EMAILING out your PARADE UNIT NUMBER. Please WATCH FOR IT & BRING IT ALONG when checking in at the gate/entrance upon arrival. **4)** Please have the person checking in at the gate “KNOW the EXACT NAME OF THEIR UNIT that was submitted on the Registration Form. Please return **Registration by June 14th**. We need to be notified of any parade unit changes prior to June 18th. Thank you all! 😊 Following these few new practices should help with the overall flow of check in. All “smiles” 😊 to that idea!
