

TRAUMA INFORMED CARE: WHY IT MATTERS FOR OUR PATIENTS

Join us for the Mid Willamette AWHONN Chapter Meeting

Date

Thursday, December 7, 2017

Time

1:00pm—2:00pm

Location

Salem Hospital—Bldg. A — 6th floor conference room

RSVP

abrase@salemhealth.org or sign up in Health-Stream (search under AWHONN in the catalog).

Reasons to Join AWHONN:

1. Stay up-to-date professionally.
2. Access to standards/guidelines for practice.
3. Subscriptions to award-winning journals.
4. CNE online and in person.

www.oregonawhonn.org

Why you should attend:

- Experiencing a trauma can change the way a person perceives the world. If we understand how trauma impacts our patients, we can offer better care.
- Trauma informed care means asking, “what happened to you?” rather than “What’s wrong with you?”
- Connect with your professional organization.
- 1 CEU

Trauma Informed Care

Provider approved by the California State Board of Nursing, Provider Number CEP7427, for 1.0 Contact Hour
