Dear Parents,

Spring is here and it is time to begin thinking about summer plans for your children. The following information about our summer program at Faith Lutheran School is to help your decision making.

This summer program is designed for preschool students and students entering kindergarten in August. We are excited to offer a hands on curriculum that will focus on **Science, Technology, Engineering, Arts and Math** in a way that will allow young children to create, problem solve and make decisions while reinforcing basic social skills. Some of the themes we plan to explore this summer include: A Bug's Life, Let's Go Garden, At the Zoo, Under the Sea, Discover America, Dinosaurs, Camping Out in God's World, A Trip to the Beach, Shark Week, On the Farm, VBS, and Sports.

The summer program will begin on Monday, May 31th, and will end on Friday, August 12th. The upstairs area will open for childcare at 6:30 a.m. The downstairs school area will open at 7:00 a.m. each morning and both will close at 5:30 each evening.

The summer program offers both a 3-day option and a 5-day option. The 3-day program will meet on Tuesdays, Wednesdays, and Thursdays. The cost of the 3-day program will be \$310 for June, \$310 for July, and \$150 for August. The cost for the 5-day program will be \$440 for June, \$440 for July, and \$220 for August. May 16th-27st will be \$25 a day.

Monthly tuition for the 3-day and 5-day summer programs is due on the 1 st of each month.
