Volume 41, Issue 2 March/April 2021

A Note From the Pastor

Dear Trinity Family and Friends,

I pray for each of you daily and want the very best for Trinity UMC. Our world, community and church have suffered greatly under COVID-19 and the pandemic that has taken place. However, not all has been negative. COVID 19 forced us to think outside of our comfort zones, to adapt and change, and to do worship in a completely new way. We learned how we can reach more people using technology, social media, and new outreach ministries. Even though we had to close our sanctuary, we never closed the church!

As a church we continued to reach out to our community with food, financial assistance, and care. We supported our church family and made new friends along the way. As bad as COVID 19 was there were some positive outcomes. One of my favorites is that we learned to do some district and conference meetings virtually.

During my time here, I have had to make decisions that I did not like. One was stopping in sanctuary worship. I prefer to meet in the sanctuary and be able to see each other and visit. However, the situation in the church, the community, and our state indicated that in person worship was not advisable or safe. I have been keeping a close watch on the numbers and I am excited to announce that Trinity will return to in sanctuary worship on **Sunday February 28, 2021**. We will continue to offer our drive-in service and the Sunday Evening service as well.

Our service times will be as follows:In Sanctuary Worship8:30amParking Lot Drive-in10:45amSunday Evening Devotional via Zoom6:00pm

The Sunday Evening service will begin transitioning to indoor soon.

Sunday School will also begin meeting again soon.

Blessings,

Pastor Tom

This is a wonderful study of the life and times of the prophet, Elijah. The video sessions and books can be purchased at Lifeway Online Bible Studies. We will meet online via <u>Go To Meeting.com</u> to discuss the video and study book questions each week. Please contact Tammy Harvey at (615) 393-1190 for assistance in setting up your Go To Meeting account and how to join in each week information. Come join us and bring a friend! We have a wonderful group of ladies that are welcoming and supportive of each other through prayer and friendship.

We apologize if any events were not listed. Please contact the church office for any updates that need to be added.

Join Tom each Thursday at 7:00 pm through Lent via zoom. Join Zoom Meeting

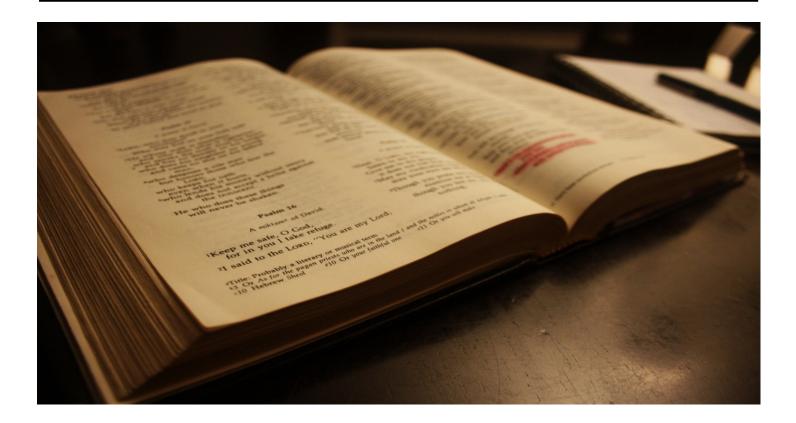

Meeting ID: 820 3766 2147 password: trinity

We will begin this study with a quick look at the Book of James and then use Adam Hamilton's "The Way: Walking in the Footsteps of Jesus."

We will look at the earthly ministry of Jesus leading up to the Passion and then resurrection. This study is a fun and interesting look at the foundation of our faith and I hope you will join me.

Blessings,

Pastor Tom

Teri Towe, Chairperson

rinity 's Children Ministry

The children have kicked off our Lenten Study and we are excited to share it with you. Additionally, the children participated in a remembrance of Ash Wednesday as we drew the cross on our hand. We talked about how just like Jesus died for our sins, we can remember this when we wash our hands and the cross washes away.

We are excited for this Lenten season to be a time of growth for all of us.

Jelly Bean Jar Challenge

We hope that some of you will join us in our fill the Jelly Bean Jar Challenge.

Each children's family received a bag of Jelly Bean. As you complete an activity, they will place one Jelly Bean in a jar (can be a Mason Jar or any jar you have in your house-even an empty Pickle Jar will work). Each week we will participate in the children's discussion of the Pastor's Bible Study for Lent during our Wednesday night lesson. You will place 1 Jelly Bean for joining in that discussion also.

20 Ideas of Things To Do (No particular order and you may repeat some of them)

- * Read a chapter of John and light a candle as you read-let the candle remind you that Jesus is the "light of the world".
- * Write a card to someone you love
- * Give up sweets for a day
- * Surprise someone with a special note of message
- * Learn a new prayer
- * Do something nice for your teacher
- * Pray for someone who has been unkind to you
- * Give up television for a day
- * Give up electronics for a day
- * Dye Easter Eggs (I would do this one during Holy Week)
- * Do something to help around the house
- * Fill a bag or box with toys to donate to kids in need (Greenhouse Ministries is a great donation location)
- * Take blankets to the Coldest Nights organization in Murfreesboro
- * Do a chore without being asked
- * Write or draw something you love about someone in your family
- * Send a card to someone on our church prayer list
- * Get a book from our book box library and read as a family
- * Bring food to the food pantry to donate at church
- * Visit the Blessing Box of Murfreesboro on Vine Street (across from the fire station) and donate some food blessings
- * Do something nice for someone you barely know (maybe someone from church)

Trinity's Youth Ministry

The Youth Group has kicked off 2021 with a focus on small groups for deeper connections and conversations to be had whether meeting on-line or in person. Our Guys Group meets every Thursday utilizing different gaming platforms to discuss and talk through real-life situations where things don't always go our way, how some people get a little too competitive sometimes and how to interact with others in general on-line and how different that is than when you are standing right in front of them. This group is aiming to start meeting in person outside as soon as the weather warms up just a little more. We have one Girls Group who is already meeting in person (safely) where lots of hands on activities are utilized to talk about image, bullying, and what it means to be a Christian these days. They have broken plates, shaken up coke bottles and lots of other fun experiments to compare real life to Scripture in a way that often times has a relatively loud group stopping to go "wait a second". Another Girls Group meets on-line to do a more in-depth Bible Study where LOTS of tough questions are asked and LOTS of sharing about each other happens too. Our goal is to continue to work with small groups until the weather warms up and then we can safely meet altogether outside.

The College Ministry is also meeting via on-line once a week. They have just finished up a time where each person in the group led a week. It was a great experience for each student to get to put together a lesson on what God was putting on their hearts to share. We had topics ranging from mental health to favorite music selections that speak to them during the crazy time of life college brings.

Just like we know that Jesus' ministry had lots of obstacles, I am so proud of this group of young people who have continued to make Church a priority in their lives and to the families who help push and/or give rides. While we look forward to adding activities into the schedule that would be considered "normal" for youth groups, we are also thankful for all of the things that have come from this past year. There have been opportunities, conversations, and new ideas that will have a last effect on these students and their time in the youth group. I look forward to having them share all of these and themselves with the congregation at Trinity and while in ministry the greater communities.

Parent's Night Out is cancelled until further notice.
