

SUNBEAM TELEVISION CORPORATION

To whom it May Concern

This is a letter of recommendation for **Mr. Norbert Thomas**

Mr. Thomas was hired as a Video Tape editor with WSVN Channel 7 News for one of our busiest slots, 5am to 9am.

At the time of hiring, Mr. Thomas had more than 10-years of TV experience under his belt. This allowed Norbert to start quickly as well as help his peers to better learn and grow in the industry. It was my observation that Norbert Had a gift of teaching and making the complex seem so simple to learn.

Norbert has a wealth of Technical and Production experience. Among other things, he is an electronic technician capable in Television Production, Photography, Editing, Writing, Producing, Directing, and Anchoring. After just a short time with us, Mr. Thomas was made a show coordinator over the editors and tape center operators for the weekend show, Today in Florida.

He is very reliable, responsible, energetic and a good team player. He gets the job done quickly and efficiently.

If you are looking for a person who has the necessary credentials, then look no further than Norbert Thomas. I have no hesitation in recommending him to be a part of your team.

Sincerely,
Lewis M. Pimienta
News Tape Supervisor
