Board Member Opportunity

We currently have openings to join our board of directors. If you would like to help make an impact in your community and have ten hours a month to spare, we would love to speak with you. Board member applications can be found on our website at LforCompanionship.org and emailed to us at LfC5031@gmail.com

Companion of the Month

Jaxon has been reading with LfC for almost a year now and joins us each month at the Community Humane Shelter of Steuben County. Jaxon is six-years-old and likes to read mystery books. His favorite animal is a lion, but if he could have any type of pet at home he would have a monkey. Jaxon shows animals that he loves them by petting them and feeding them.

Improvements and Growth

Volunteer Carts

Literacy for Companionship is extremely thankful to now have volunteer carts at each of our partner shelter locations. These carts hold all of our LfC supplies, some of which include: (LfC kids seat cushions, LfC's bone-shaped treasure chest, cleaning supplies, first-aid kit, and LfC goodie bags). Each cart will allow us to easily provide resources for the children, volunteer, and partner shelters, which give us more opportunity for growth! **We want to give a huge thank you to Flint & Walling for helping us achieve this goal!**

LfC Libraries

Literacy for Companionship is working hard to place libraries in our communities. To start with, we will be placing five libraries at each of our partner shelter locations, with a goal of 1,500+ books. Having LfC libraries will give children a bigger selection of books that some might not have access to. If you would like to help us by purchasing a book, you can do so from our AmazonSmile Needs List that can be found on our website at Lforcompanionship.org under the 'Take Auction' tab. We want to say thank you to everyone that has purchased books for us off of our list.
