

## The Dog Hut's Environmental Policy Statement 2019

---

The Dog Hut .Biz is committed to leading the industry in minimising the impact of its activities on the environment.

The key points of The Dog Hut's strategy to achieve this are:

- Minimise waste by evaluating how we operate, ensuring we are as efficient as possible.
- Minimise toxic emissions through the selection and use of our vehicle and the source of our power requirements.
- Actively promote recycling both internally and amongst our customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution, for review May 2019.
- Comply, meet or exceed all the environmental legislation that relates to the Company.
- Use an accredited program to offset the greenhouse gas emissions generated by our activities.
- Pledge to
- We will continue to source and implement Continuing Professional Development to raise awareness and support our environmental policy statement.

The Dog Hut .Biz will continually evaluate its impact on the environment and set targets for ongoing improvement.
