ALL FAMILIES TO HELP PACK UP BEFORE LEAVING

It is a requirement of the club that every family helps with pack up in the afternoon.

Too many families leave early and unfortunately there is a small number of people that are left to pack up everything.

It is only 10 minutes of your time and allows everyone to leave earlier.

***WPC MEMBER REVIEW ***

I think WPC is the best, because we have lots of different things each month instead of the same thing each month e.g. so first we have double show jumping then lunch, after lunch we have flat then theory. The next month instead of having the same thing we have theory first then we have flat and then lunch, after lunch we have games and then cross country.

I also think WPC is the best, because, they get the best instructors in for the students I really like John and Amy, because, John keeps me going even when I think I can't do it. I like Amy because I love her personality and I love all of the people that made this possible. I also like the new instructors, because, I love to meet new people, and I think there the best.

The grounds of WPC are amazing, because they just don't have dirt and grass they also have sand. And when it's raining or wet we could always go on the sand to practice. I also love all of the jumps on the cross country I think the best bit is going down the hill!!!

Some of the jumps are really easy for some people and hard for other people, So that's why I like that there's a range of jumps so not just tiny ones or not massive ones either.

WPC has a range of age groups so I like all of the groups, because not all group have ten year olds in it. I like it because it has a good age groups so everyone can do the same things.

I am also looking forward to the camp at the end of year!! I am looking forward to it because, I want to see if it will challenge me to see how I take care of my pony. I am also looking forward to it, because I want to go on some trail rides and I also want to see what my pony will do. Like if he's going to buck me off.

By Charleigh-Anne 9 years old and Gerry 17years old 😊

NEXT RALLY MARCH 27TH

Duty Coordinator: Bende Zoega

Families on Duty: Bresciani, Robertson & Mason

D/C REPORT ~ DECEMBER 2015

Today was our Christmas Break up Rally. The club ran a Super Cross and at the completion, Fancy dress and awards. Everyone I spoke to seemed to enjoy the format with the Super Cross which allowed a lot of members to "have a go" at something they hadn't tried before. It also gave a lot of members an insight into a competition day, without the pressure.

1 st Bridgitt Stott	1 st Alison Rasmus	1 st Issy Moras	1 st Siobhan Laffan

HORSE MANURE

The Agricultural Society have requested that no horse manure is to be placed around the trees planted on our grounds.

The manure causes more harm than good to the growing trees.

You can either bag your horse's manure and take home or throw over the fence behind the yards.
