

To get CEU's you'll need to create an account (it is free) through PDI's educational portal and then register for the course. The course can be registered on the PDI [website here](#) and will be archived and recorded for those who missed the meeting to take later (also for CEU) in the [live course gallery here](#).

Instructions below:

Step 1: To obtain your CE certificate for this, you do need to create an account at <https://pdihc.com/courses> – See screen shot below:

Step 2: Activate your account – You will receive an activation email. Follow the link provided in that email. If you don't receive it within an hour, please reach out to me!

Step 3: Once you activate your account, please return to this course link:

<https://pdihc.com/courses/clabsi-prevention-2022-guideline-updates-and-strategies/>

- Enroll in the Course
- Start the Course
- Continue to the Evaluation >
 - You will complete 10 total questions. Follow the instructions to populate your CE certificate. NOTE: a copy will also be emailed to you.

If you have any questions or run into any issues, please contact Gina Greco, Sr. Digital Marketing Specialist, Communications, PDI, at Gina.Greco@pdihc.com.

All The Best,

Amanda Thornton, RN, MSN, CIC, VA-BC
