November – a Time of Remembrance

The Church encourages us to pray for those who have died, especially during this month. We invite you to write the names of your departed relatives, friends and any others you want us to pray for in the book that will remain in the foyer during the month of November.

We pray for those who died this past year:

Harry Zoromski June 19, 2021

Thomas Link August 3, 2021

Eternal rest grant unto them, O Lord, and let perpetual light shine on them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

Vocation or Calling

Question: Can you explain what we mean by a vocation or calling? I have heard this term used in many different contexts and am not sure what it means. Does it apply to religious life?

Answer:

A vocation or calling refers to a spiritual experience whereby a person senses within oneself the closeness of God and what he is asking in one's life. It is a realization of what one's part in God's plan could be. Vocation comes in all kinds of ways. Some are as dramatic as St. Paul's, being knocked off his horse, blinded and hearing God's voice. Others are less dramatic, often occurring over time through little events and personal interests. Others happen in a hurry, accompanied by great spiritual insight or conversion. We often think that this applies to religious vocation, but in fact, every Christian has a vocation, a calling to serve others in and through the church. Whether married or single, religious or lay, we are all called to live out our baptismal commitment to preach and teach the Gospel message. Each of us has our role to play in God's plan, and we become coworkers with God in the work of redemption. With a little confidence, a willing spirit and God's grace, we can and will respond to his unique call.

Child Development Screening

The Rosholt School District is offering its screening for children age 3-4 (pre-K). An optional screening will also be offered for children birth to age 3. At the screening, suggestions are given to help get ready for a successful school experience. Please call to request age-appropriate info about what is expected developmentally at each particular age. You can also request questionnaires to complete which will be scored and if any concerns are indicated, you can bring your child in for additional play-based screening. 715-677-4541
