

Fireside Fellowship:

Walking in Discernment:

1. Who is responsible for identifying false teaching in the church today?
2. How is false teaching identified as false?
3. How does false teaching enter the church today?
4. What types of “new revelation” do you see in the world today?
5. Why does false teaching always destroy churches and diminish a person’s relationship with Christ?
6. What is the response that a disciple of Christ should have toward false teaching?
