Mark's Thoughts

Correction Curve

In a previous congregation, I planned to visit some members who lived a ways out of town. It being a primarily rural area there were no actual street addresses, more of a fire number situation, so I asked a member how to get there. Go North on the highway and take the first road West after the correction curve. I accepted those directions even though I had no idea what in the world a correction curve looked like. A combination of male ego and not wanting to appear to be a city boy kept me from asking any more questions. I reasoned that a graduate level student should be able to figure it out. Leaving early was the only intelligent thing I did.

The 'correction curve' turned out to be a curve indeed that seemed to my ignorant eyes a way joining two parts of the highway that were going to miss one another. It was as though the original plan was to begin the project from both the North and the South but somebody got their measurements wrong and the roads were not going to meet. That is pretty far-fetched and likely it had something to do with topography or land acquisition. Nevertheless, the correction was made.

Later this month we will begin the Lenten Season, February 26 to be precise. Lent in part celebrates God's "correction curve" for sinful mankind. We, as sinners, could not attain heaven via our own efforts but God changed our course by sending Jesus to suffer and die for our sins and subsequently emerge triumphant from the grave. It is truly a change in direction we could not have effected. Our Lenten series will be "Eyes on Jesus" in the spirit of Hebrews 3:1. *Therefore, holy brothers and sisters, who share in the heavenly calling, fix your thoughts on Jesus, whom we acknowledge as our apostle and high priest.*

It is based on the Gospel of Mark and will focus on how the people around Jesus viewed him. Through their eyes you will see what Jesus has done to save us from our sins.

The Lutheran Women's Missionary League (LWML) is the official women's auxiliary of The Lutheran Church—Missouri Synod.

For over 77 years, the LWML has focused on affirming each woman's relationship with Christ, encouraging and equipping women to live out their Christian lives in active mission ministries and to support global missions.

MITE SUNDAY is next Sunday, February 9. For several years now we have publicized the 20 Mission Grants that we have been sponsoring for this 2018-2020 biennium. When we meet in convention in April we will select another 20 new Mission Grants and a new Mission Goal for the 2020-2022 biennium. Those new grants selected will be highlighted through the coming year. Every mite is a blessing to someone. Thank you for your donations.

LWML Meeting is this Saturday, February 8. Join the ladies of Faith in meeting and assembling Valentine Bags of special treats for the Meals-on-Wheels recipients that are delivered from our church kitchen. We will have a mini Bible Study and play several games. One of the games is a 'mite game' so bring your coins. Also, bring your favorite 'tea cup' as we'll serve hot tea and pastries. We'll meet in the church Library at 10 a.m. Enter through the north doors under the covering. Hope to see you there.

LWML OKLAHOMA DISTRICT CONVENTION: Our 56th convention will be held April 17-18, 2020, in Edmond at the Hilton Garden Inn. Keynote Speaker at this convention is Humorist Jan Struck; Bible Study Leader is Deaconess Betty Knapp; Mission Speakers: Patti Ross and Deaconess Grace Rao. This years theme is, 'Fix Our Eyes on Jesus' based on 2 Corinthians 4:18. "So we fix not our eyes on what is seen, but on what is unseen. For what is seen is temporary, but what is unseen is eternal." *NIV* If you are interested in attending, please speak with President Kathy Doering or Treasurer Doris Schmall.

THE VOICE OF SERVICE, Spring 2020 issue, is now available for you to read on the www.oklwml.org website. It is the Call to Convention issue and will give you details on nominations for new officer candidates on the LWML Oklahoma Board, the Mission Grants requesting our help financially and we will vote on a new Mission Grant Goal for this 2020-2022 biennium.
