

Athlone Education Centre School Challenge

It's Dacey

	Odd	Even
Multiples of 3		
26 or More		
25 or Less		

1. Each player must draw the template shown on a blank page
2. Draw a number bucket!
3. Take turns - throw two dice
4. Multiply the numbers
5. Can you write your number in one of the number boxes?
6. If not, put the number in your number bucket.
7. The winner is the first player to have a number in each box!

Can you create your own number game using dice?
