From Atlanta

Take I-75 north to the I-575 exit. Go north on I-575 to Ball Ground where I-575 becomes GA 515. The road will not change, just the road name!!

Continue north in GA 515 to reach Gilmer County. At the first light in Ellijay- there will be a SUPER WALMART on your right and a Chick-Fil-A on your left- make a right at the light. You will stay on this road which is Highland Crossing and becomes ELLER ROAD. The road does not divert- it simply changes names. You will pass a movie theater on your left and Walmart on your right. Stay on this road going up the hill and as it goes around behind the Walmart plaza until it dead ends onto YUKON. On YUKON ROAD make a right at the stop sign.

Once you are on YUKON, you will go about 1 ½ miles and make the third left onto CLEAR CREEK ROAD. Ponce you make the left onto CLEAR CREEK ROAD, you will make the first left onto BERNHARDT ROAD. You will stay on BERNHARDT ROAD until it dead ends. Once it dead ends you will make a very slight right onto WHITEWATER LANE and you will be at the cabin. The cabin looks like this:

Please be sure to park in front of the house and not at the common area next door. The studio is on the right and this is what the walk way looks like. There is a key pad to open the door. The back deck, firepit and pool table room are all common areas.
