PRINCE2® online courses & certification

You can gain PRINCE2 certification anywhere, anytime by studying online

Demanded by employers and great on your CV, PRINCE2 can help boost your projects and career. PRINCE2 online training covers the same syllabus as classroom training, but lets you self-study at your own speed, whenever and wherever you want. You can get PRINCE2 online certification at Foundation or Practitioner levels. Online support is provided for all online courses.

*From as low as **£430** (Excl. 20% VAT) up to **£1200.00** ells where
