

## 2021 CHESSIE SUMMER CAMP

Organized by CHESSIE  
(Christian Home Educator's Science & Sports Institute)

### **For students in grades rising K-7**

Brand-new science topics combined with returning favorites!  
Classes taught from a Christian perspective & good sportsmanship will be practiced during game time. Come to enjoy a great time of hands on science + time for sports and creek play—

### **Activities such as the following are planned for this summer --**

- Dissection: perch, owl pellets, sea lamprey
- What are sea beans and where are they found?
- Motion: testing force and motion using matchbox cars
- Hexbugs: Maze challenges--Stem Team Building Activity
- Chemistry experiments
- Kinetic & Potential energy: Creating a jumping grasshopper model that shows how grasshoppers store elastic energy in their legs
- Assembling wooden boats designed for speed—racing competition at the creek at Azalea Park
- Creating & flying kites at Azalea park while learning flight principles
- Sports activities: launching water bottle rockets, creek play, field games

1<sup>st</sup> session: June 7-11 Time: 1:00-4:30

2<sup>nd</sup> session: June 21-25 Time: 1:00-4:30

**Where:** Calvary Chapel Charlottesville Church, 1284 Sunset Avenue Ext. Charlottesville & Azalea Park for creek play & kite workshop

**Cost:** \$140 per student for one week (discount given for 4<sup>th</sup> child in one family signing up (includes science materials, sports equipment, & a daily healthy snack & drink) Different science topics each day with hands on activities and science experiments led by--
