CSLSG Book Club

THURSDAYS at 6-7pm

In this brief and moving book Raymond Moody MD, PhD looks at God and how his personal understanding of the Creator has changed over the course of his life and research into near-death experiences. Dr. Moody organizes his insights about God into 13 simple but profound ideas and walks us through them using stories and examples from his own life and from accounts of encounters with God in the hereafter. He looks at our society's beliefs about God, how religion can both help and hinder our relationships with the Divine, and how we can bring Source into our lives with a new understanding

that transcends all limits.
