And this, children, is how you do a prequel glares in the direction of George Lucas. This is the story where we know most of what happens Hint: Magda becomes a Confessor , and yet it's impossible to put down. It has been, well, forever since I finished a large book this quickly. I know Mr. Goodkind would not approve since he believes that his stories need to be savored and read over a longer period of time but then he should stop making them so darn exciting. The plot mostly hits all the major points in the history of SoT world, with a few very interesting twists along the way. Although I usually like to read a completed series in chronological order rather than the way it was published, in this case I recommend reading the original book series first. It's just too much fun discovering the true origin of different components of this world.

As for the actual review, if you are a Goodkind fan, you will love it, both for the characters and the very familiar themes it covers. It delves a little more into the question of how far one should go to protect the loved ones and anything else that make life worthwhile. Of course, if you are a fan you already know the answer. Unlike the aforementioned movie director, Goodkind has no desire to "grow out" of his worldview and make it more sophisticated for the new generation of fans. This is a Goodkind book, delivering what Goodkind is known for producing, and for me it's more than enough. Here at Walmart. In the time before the Confessors, when the world is a dark and dangerous place, where treason and treachery are the rule of the day, comes one heroic woman--Magda Searus--who has just lost her husband and her way in life.

But when her husband, a man who loved life and loved her, unexpectedly commits suicide, she suddenly finds herself alone. Because she is ungifted herself, without her husband she no longer has standing among her people, and she finds herself isolated in a society that seems to be crumbling around her. Though she is not gifted, she begins to discover that there may be more to her husband's suicide than anyone knew. What she finds next, no one is willing to believe. Account Options Sign in. Top charts. New arrivals. Terry Goodkind Jul Married to the powerful leader of her people, safe among those gifted with great ability, Magda Searus is protected from a distant world descending into war. But when her husband, a man who loved life and loved her, unexpectedly commits suicide, she suddenly finds herself alone. Because she is ungifted herself, without her husband she no longer has standing among her people, and she finds herself isolated in a society that seems to be crumbling around her.

Despite her grief, she is driven to find the reasons behind why her husband would do such a thing--why he would abandon her and her people at such a profoundly dangerous time. Though she is not gifted, she begins to discover that there may be more to her husband's suicide than anyone knew. What she finds next, no one is willing to believe. Without anyone to help her, she knows that she must embark on a mission to find a mysterious spiritist, if she even exists, so that she may speak with the dead.

This quest may also be her last chance to unravel what is really behind the mysterious events befalling her people. The book was released on August 18, It debuted at 10 on the Times bestseller list. Discworld is a comic fantasy book series written by the English author Terry Pratchett, set on the Discworld, a flat planet balanced on the backs of four elephants which in turn stand on the back of a giant turtle. The series began in with The Colour of Magic and continued until the final novel The Shepherd's Crown was published in , following Pratchett's death.

The books frequently parody or take inspiration from J. Tolkien, Robert E. Howard, H. Lovecraft, Charles Dickens and William Shakespeare, as well as mythology, folklore and fairy tales, often using them for satirical parallels with cultural, political and scientific issues. The first novel, Storm Front , was published in by Roc Books. Events in the book take place directly after the end of Confessor. Severed Souls is Terry Goodkind's 17th novel. It is the 14th in the Sword of Truth series and the third novel in Goodkind's new Richard and Kahlan series, which takes off right after the end of the original Sword of Truth series.

Warheart is Terry Goodkind's eighteenth novel. It's the 15th in The Sword of Truth series and the fourth novel in Goodkind's new Richard and Kahlan series, which takes off right after the end of the original Sword of Truth series. Shroud of Eternity is the second installment in Terry Goodkind's The Nicci Chronicles , Goodkind's new series set in the same world of his now-concluded Sword of Truth.

The novel follows Death's Mistress , and was released on 9 January
