Community Conversation 12:00pm

February 6, 2022

We are dressed in a body and we have a personality, but we are much more than that. We are divine beings who have come to work on our consciousness, to remember who we truly are, and to remember our essential being. For this we have dressed in this suit of flesh that is the vehicle we need to function on this plane of existence and fulfill our purpose of transformation.
