

Keeping Up Appearances

Written By Brad Fowler, M.A.T.L.T.

The British Comedy *Keeping Up Appearances*, tickles our sides with comedy skits about low grade lifestyles and high class habits.

Allen Maintenance Inc. thrives to empower Michigan businesses to Keep Up Appearances, because doing so keeps consumers' coming back.

In fact, the Worldwide Cleaning Industry Association conveys that cleanliness can cut business cost and impact consumer spending.

Allen Maintenance Inc. is interested in working with Michigan businesses in Wayne, Washtenaw, Livingston, Oakland, Monroe, and Macomb counties, to help Keep up Appearances; and provide clean, healthy environments for Michigan consumers'. In doing so, Michigan can again be graded with honors, in helping keep influenza out of the state.
