

# EMPLOYMENT OPPORTUNITIES

GC-North Construction Inc. is pleased to announce that we will be working in partnership with the Nunavut Housing Corporation, building new housing in the following communities in 2018 and 2019:

**Arctic Bay**  
**Hall Beach**  
**Kugaaruk**  
**Sanikiluaq**  
**Coral Harbour**  
**Chesterfield Inlet**

It is a priority of Nunavut Housing Corporation and GC-North Construction Inc. to provide employment and training opportunities to Nunavummiut as part of this work. In preparation for this work, we are seeking applications from those with trades experience and those seeking to gain trades experience.

Those applying that are resident to the community where the work is occurring must have successfully completed Grade 10 and be of legal age to perform construction work as mandated by WSCC. Previous workplace and workplace safety experience or training will be considered an asset. Applicants may be requested to write a standard pre-trades qualification test as part of the application process.

Those applying that are not resident to the community where the work is occurring must have successfully completed their third year apprenticeship in a relevant trade and must submit proof of such when applying. Relevant trades include carpentry, electrical, plumbing and oil burner mechanic. Previous transient work experience will be considered an asset.

A minimum of two references from previous immediate supervisors will be required. Priority will be given to Nunavut Land Claims Beneficiaries. Equivalencies to educational and experience requirements may be considered on a case by case basis.

Applications are available from our website.
