If applicant withdraws from the program after deposit, but before the program starts, \$350 from applicant's deposit amount will be retained by the program. However, such amount can be applied towards a future training program.

The program will not give any refunds or credits after the training starts. The program reserves

the right to cancel any training it begins. In that case any payments applicants have made will be refunded in full.

ATTENDANCE POLICY

We require 100% attendance to graduate and receive a certificate of completion from our program. In the case of any emergency absences, please notify the lead trainer immediately.

If a student has planned absences that conflict with attendance in the program, please contact the lead trainer prior to enrollment to discuss options. Options may include apprenticeship, a group study-session, cohort buddy system, etc.

If the options discussed with the lead trainer do not work with the student's schedule, students must pay an additional cost (\$75 per hour) for private make-up sessions with a teacher. Please discuss attendance concerns in advance of enrolling.

Each student is expected to be at each session 5 minutes before the start time to set up. If the student is late more than 5 times, this will result in a deduction of 1 hour from their total contact hours.

A leave of absence from the program will be granted due to medical disability or other extraordinary circumstances at the discretion of the lead trainer. In this case our refund policy will apply to unused tuition and the student must reapply for the next available session and pay the difference, if any, of any remaining tuition and/or any related administrative fees.

If tuition is increased for the next available session, the student must pay the higher rate. No refunds will be given if the program removes a student from the program for bad conduct. Bad conduct is violation of the Code of Conduct, gossip, harassment, bullying, or any other behavior that is inappropriate or disruptive to the welfare of the program or to fellow students.
