

Accolade Hounds

Simply, carefully and responsibly placing hounds into homes

We have recently rescued two lovely Greyhounds from racing kennels - Stigs and Mickey - who cannot be adopted in the usual way. Stigs will need on-going medical treatment and must continue to have special care and attention to keep him well. Mickey needs to stay in his quiet foster home where he feels safe and secure so he can continue to grow in confidence.

As a result of their special needs, we will be keeping them both in permanent foster homes and covering their veterinary bills for life. Please support them through our Sponsor-a-Hound Scheme:

- You can sponsor a hound for as little as £2.00 per month, or an annual payment of £24.00. But you can of course give as much as you like.
- You will receive a Certificate, an annual update on your sponsor hound's progress plus a couple of little surprises during the year.
