

SHOPPING

These tours are not shopping trips but we do visit a few places where you can pick up mementos of your journey.

From nativity scenes in Bethlehem & mosaics in Madaba (Jordan) to rocks from the Sea of Galilee, spices from open air markets, jewelry from where you are baptized, wood cups from our communion in the Garden, cosmetics from the Dead Sea, flowers from the Elah Valley, and crosses from Ephesus, you will find mementos to bring home as physical remembrances of your journey.

I hope, though, that what will you stay with you most is the change in your heart and life as you give it again to Jesus while traveling through His lands. That cannot be bought or lost.
