RE: Kenneth Gomez v. District Judge James A. Parker Judicial Misconduct
Complaint No. **10-10-90038**

Dear Honorable Associate Justice Sotomayor:

Recently I wrote you in November 2010 about subject matter. Two state police officers visited my home and inquired about that letter. They spent 45 minutes and I gave them a copy of the proclamation I planned to sign today. They were satisfied that I would not use violence to acquire the office of New Mexico Governor. Today I took the oath as Governor of New Mexico. I also gave Notice of that fact to the Tenth Circuit Judicial Council in the attached documents which in fully integrate into this letter. Everything stated in the attached document applies to you also as Circuit Justice for the Tenth Circuit. I believe it is too serious to ignore and that it ought to be brought to the attention of Chief Justice Roberts.

Respectfully submitted,

Kenneth Gomez
Governor of New Mexico
