

2021 Shoe Requirements

We recommend Encore in Toms River for all your shoe and apparel needs. Encore is located on Fischer Blvd in Toms River. They have a complete list of all class requirements in store. You are welcome however, to get your dance supplies from any store, as well as on-line!

Preschool and Kinder dancers may wear a Pink or Black Bodysuit to class. Any style, or character is fine. It may have an attached or separate skirt, or shorts.

All Junior and senior classes are to wear a black leotard (any style) to class. Ballet and Lyrical dancers may wear a skirt with their leotard. Tap, Jazz, and Contemporary dancers may wear dance shorts, or dance pants with their leotard. Acro dancers may wear tight shorts with their leotard. Hip Hop dancers may wear any comfortable, fun clothing. We ask that it be dance clothes however, and not street clothes.

Please feel free to wear any dance shoes you may already have for the correct genre, regardless of the color listed below. Most dancers will grow out of the shoes they are currently wearing by the recital. When new shoes are needed you can purchase the correct color and style.
