

PARENT’S CODE OF CONDUCT

As my child’s most important educator, I understand that I teach my child best by my own example of reverence, responsibility, and respect. I understand the KinderClub Learning Center is dedicated to serving my family. In order to show my cooperation, support, and thankfulness...

- I will set a good example in my own speech and behavior.
- I will show respect for the teacher and any other adult in authority in front of my child at all times regardless what I may think of their actions or say to them in private.
- I will stop rumors. I will go through the proper channels when I have a problem or concern.
- I will speak respectfully and with kindness and courtesy to other parents in front of students, especially when there is a disagreement.
- I will follow the school’s rules, calendars, and deadlines even when I may disagree.
- I will supervise my child and not utilize my cell phone at drop off and pick up time.
- I will supervise my child even when I am socializing outside after pick up time.

SWEARING/CURSING:

No parent or adult is permitted to curse or use other inappropriate language on school property at any time. Such language is considered offensive by many people and will **NOT** be tolerated. At NO time shall inappropriate language be directed towards adults, children, or members of the staff.

THREATS:

Threats of any kind will NOT be tolerated. In today’s society KC cannot afford to sit by idly while threats are made. In addition, all threats will be reported to the appropriate authorities and will be prosecuted to the fullest extent of the law. **PARENTS MUST BE RESPONSIBLE FOR AND IN CONTROL OF THEIR BEHAVIOR AT ALL TIMES.**

CONFRONTATION:

While it is understood that parents will not always agree with the employees of KC or the parents of the other children, it is expected that all disagreements be handled in a calm and respectful manner. Confrontational interactions are not an appropriate means by which to communicate a point and are strictly prohibited.

The KinderClub Learning Center Code of Conduct was developed to promote safe learning environment based on respect, decency and courtesy for the rights of the students, teachers, and parents. One of our goals at KC is to provide the most appropriate environment in which a child can grow, learn and develop. Achieving this ideal environment is not only the responsibility of the employees of KC, but is the responsibility of each and every parent or adult who enters the school. Students learn best when they are free of interference by others and know what is expected of them. Teachers are most effective when they use a consistent approach to student behavior and know that administration and parents support their handling of students. Therefore, parents and students both need to be aware of these rules and their relationship to the rights of other persons in the school.

I will abide by this code of conduct while my child is enrolled in KinderClub Learning Center.
