

Am I...?

A group game of guessing the person, place or thing the Bible! Player will be given a card and try to guess what he/she has!

Print and cut out the cards (included) which name a person, place or thing in the Bible. You can laminate them to make them last longer.

Form a group of players and have one or two people tape one card on the forehead of each player. Once everyone has a card on their forehead you can start the game.

First player will ask "yes" or "no" questions about the card on their own forehead. A couple of examples:

Am I a person? Am I a place? Am I a thing?

Am I a king? Am I a prophet?

Am I a male? Am I a female?

Was I found in the old testament? Was I found in the new testament?

The group can decide whether to have the player keep asking questions until they have guessed correctly or when they have a "no" answer, the next player will go.

Continue around the room and when all cards have been guessed, the game is complete or you can continue with another round!
